Queen Carol Reigns Over Hillites

Homecoming is one of the most thrilling traditions at Arthur Hill. The homecoming activities begin with the election of twenty-two girls chosen by the student body. These candidates are then interviewed in spontaneous conversations at an all school assembly. The following morning students vote for the three girls whom they would like to have as queen and attendants. When the royalty is chosen, she and her court are honored at the Homecoming Assembly. They then attend a real battle between the football teams of Flint Central and the fighting Lumberjacks of Arthur Hill. Following the game, the queen and her court are guests of honor at a most memorable homecoming dance.

This year's queen, Carol Raymond, and her court will long be remembered by students, faculty, and alumni.

Tears of happiness are shed by Queen Carol and Attendant, Kathy List.

A.H.H.S. Presents Theatre In The Round

Theater in the round was the setting for three one-act plays presented by the sophomore, junior, and senior classes, February 28. The junior class presentation of "The Valiant" was awarded the best play. Actor Kevern Cameron and actress Jeanne Gobble received best actor and actress awards for their outstanding performances. The other plays presented were "Egad, What A Cad" by the sophomore class and "Air Tight Alibi" by the senior class.

Barbara Byron, Ralph Winchell, and Kevern Cameron perform well under the student direction of Tom DuCharme in the senior play, "Air Tight Alibi."

Ed Leib snarls at Lee Block in a scene from the sophomore play, "Egad, What a Cad!"

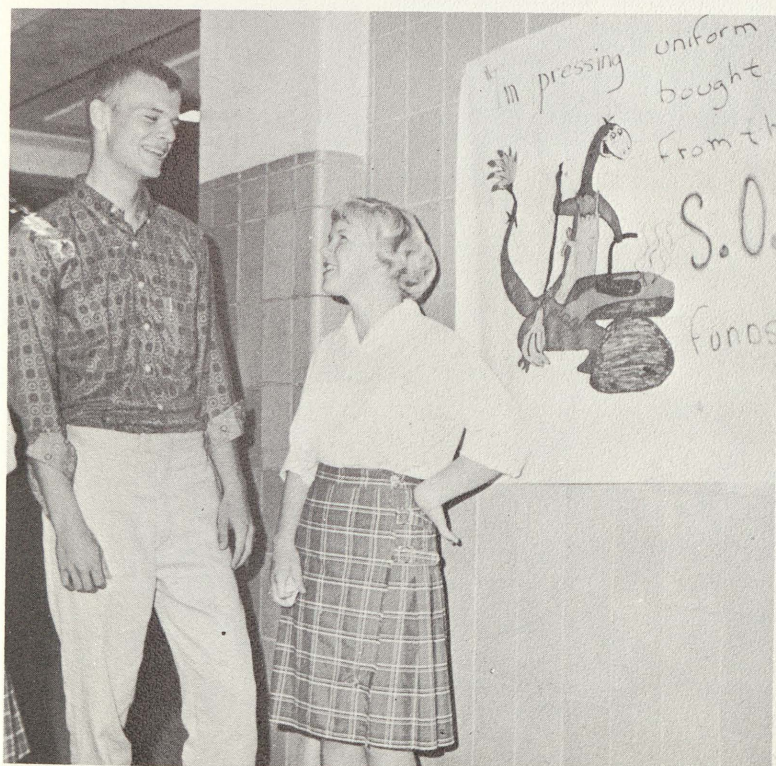

"You'd better buy an S.O." says Kathie List to Tim Blanchet.

Girls Win Again!

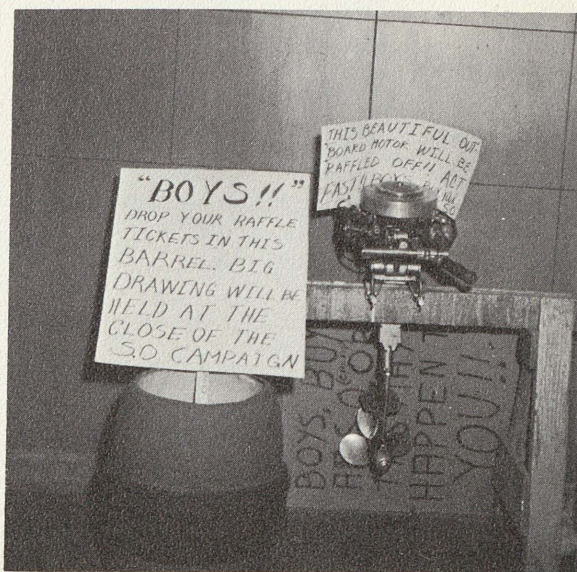

Phil Parker, Ray Grief, Kim Stemler, and Mitch Berlin add a musical note to the Boys' S.O. Campaign.

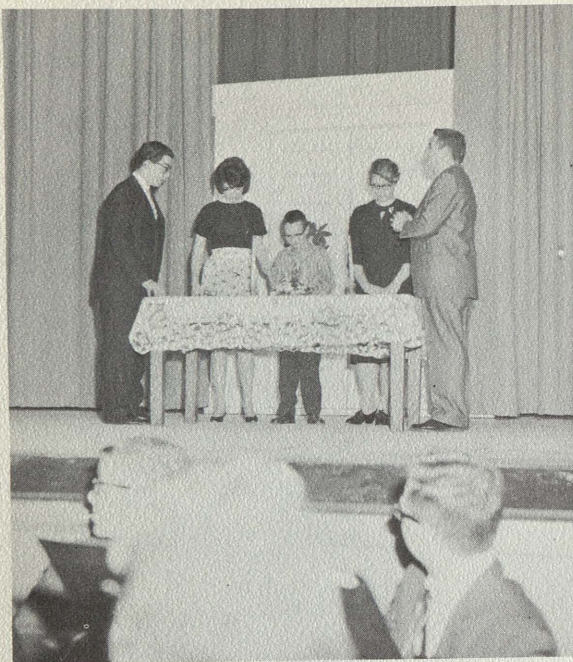

Early morning jam sessions, burlap dresses, and over-all excitement capture the halls during the S.O. Campaign. Halls covered with eye-catching posters add to the atmosphere as the battle between the boys and the girls wages on. The determined group of boys tried in vain to disrupt the long line of feminine victories.

"The girls did it again," says Carol Munck to Dick Hohn.

Mike Klein was the winner of this outboard motor donated by the boy's S.O. campaign.

Christmas Brings Joy To Arthur Hill

The true meaning of Christmas was demonstrated in many different ways in the annual Christmas assembly at Arthur Hill.

"We wish you a Merry Christmas and a Happy New Year."

. . . and so they came from all around to pay tribute to the infant Jesus.

Arthur Hill by Wolfgang

For an American student it is just an experience to become a Hillite. But do you know how exciting it is when you are a European student at Arthur Hill? It is more than just an experience to be thousands of miles away from home and though to feel like being home, to be far away from friends and though to have so many of them, to be German and though to do things like an American.

A year can be long, but this one at Arthur Hill is far too short. Hillites, you gave me a wonderful time. Thanks to all of you. I shall never forget those halls, those games, those assemblies, and those girls, too.

But this country, in Europe known as the country with unlimited possibilities, showed me its realities, too. There is a difference between the town Dortmund in the Ruhr Valley and Saginaw in the Saginaw Valley. It starts with the sky. Never had I seen so often a blue sky expanding over the country. Germany is famous for rain.

The students are not alike, but their problems are similar, though the American youth seems to have greater personal freedom as well as the feeling of responsibility, and much more school spirit and patriotism.

This school is the best one I ever saw, not because it has a nice building, and a great stadium but because there are people in this school which are unforgettable to me.

His Door Was Always Open

Every once in awhile an event occurs that quiets a community and causes it to pause and reflect on past achievements. Such was the reaction at Arthur Hill on January 30th when Irl M. Brock, principal of this school for thirty-three years, announced his decision to retire in June.

Mr. Brock has proved a master principal, respected throughout Michigan. Through the years of progressive education with emphasis on the well-rounded student, to the present Sputnik-inspired renaissance with its message of our need of knowledge for survival's sake, Mr. Brock's leadership has given Arthur Hill a quality that defies definition, a something in the climate of the school—the feeling that we are a family, that we think well of each other, and that Arthur Hill is the finest school in the world.

His door has always been open to a student or a teacher with a problem; his decisions characterized by fairness and understanding.

Born in Wayne County, Illinois, April 19, 1895, Mr. Brock attended Southern Illinois University where he was active in athletics and editor of the college

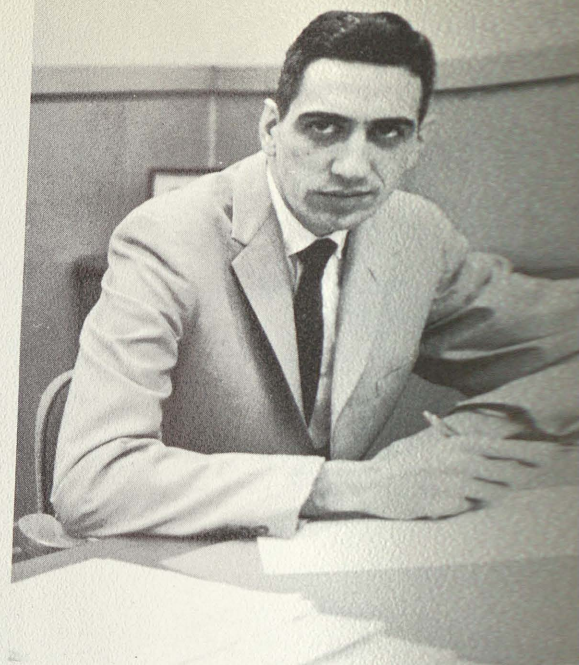

yearbook; he earned his bachelor's degree from the University of Illinois in 1922 and the master's degree in 1926. Mr. Brock served in the Army Air Corps from 1917 to 1919. He was principal of an elementary school in Springfield, Illinois, before coming to Saginaw as principal of South School in 1925. He came to Arthur Hill in 1929.

Mr. Brock's many offices in professional and community organizations include: president of the Michigan Association of Secondary Principals in 1940, member of the North Central Association research commission, member of Phi Delta Kappa and Kappa Delta Pi, honorary educational fraternities; president of the Kiwanis and Fordney Clubs, Veterans of Foreign Wars, American Legion, director of Bridgeport Country Club, member of the committee of 300 that helped develop Delta College, and a member of First Presbyterian Church.

As one writer has said, "Mr. Brock is synonymous with Arthur Hill", so might it also be said that Mr. Brock's service here is synonymous with the school's motto: "Achievement with Honor".

INSIGHT — THAT STRANGE AND
WONDERFUL TIME WHEN AN
IDEA BEGINS TO BLOOM.

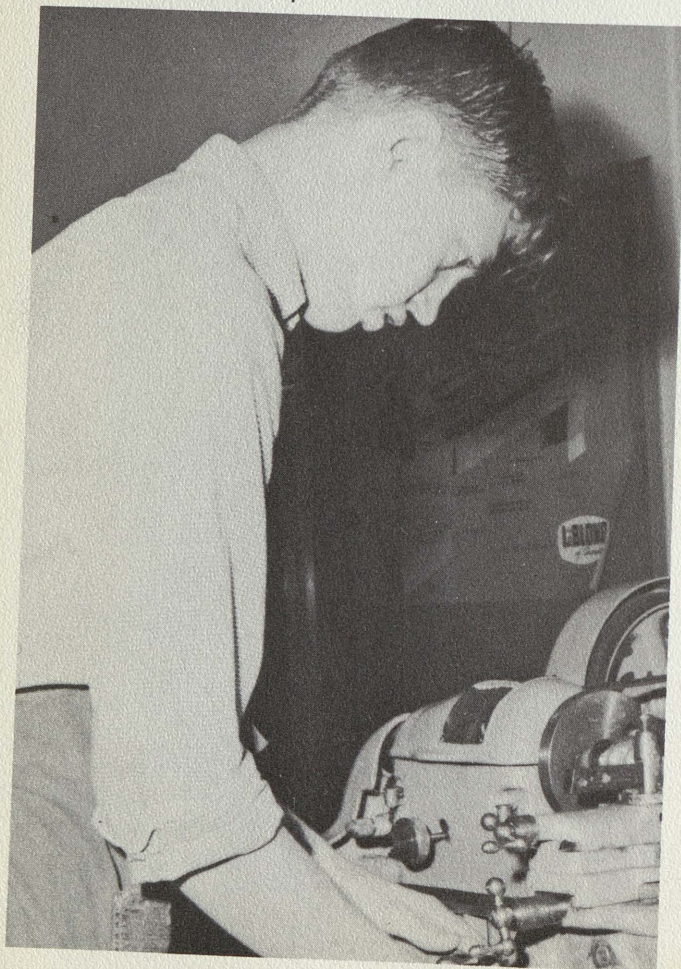

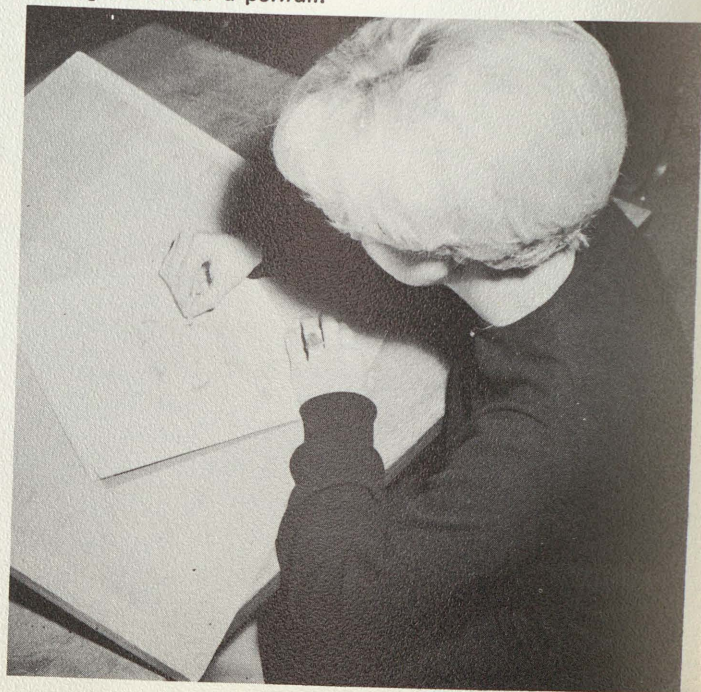

Rosemary Schultz seems to enjoy working on a Christmas tree for a class display.

Completely absorbed in his work, Norman Shankel adjusts a piece of machinery in metal shop.

Taking advantage of a good north light, Maruta Miluns puts the finishing touches on a portrait.

Wood shop students use mind and hand in the production of useful articles.

Arts And Crafts Coordinate Mind and Hand

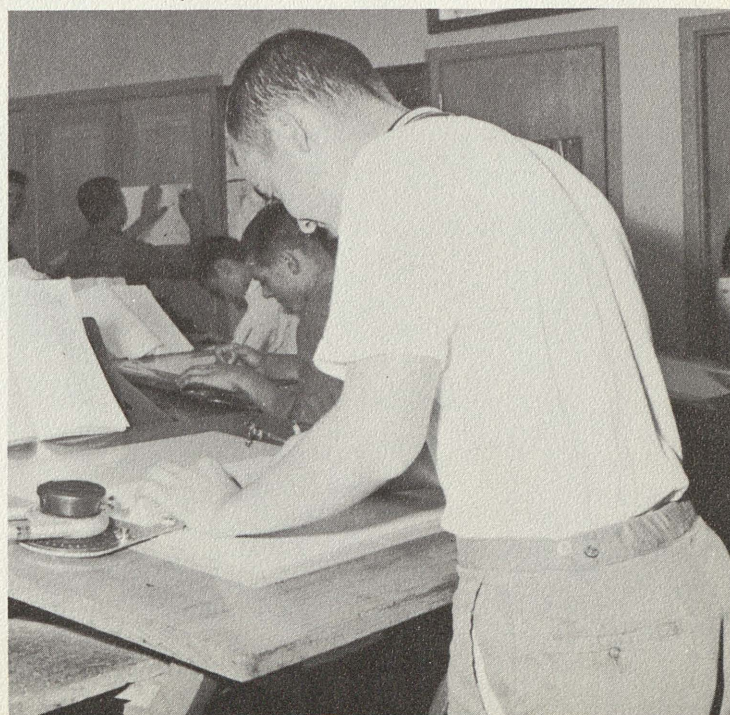

Use of the imagination and the skill of the hands are utilized in the art classes. Bright designs, paintings, and etchings, many of them award winning, may be seen in the showcases throughout the buildings.

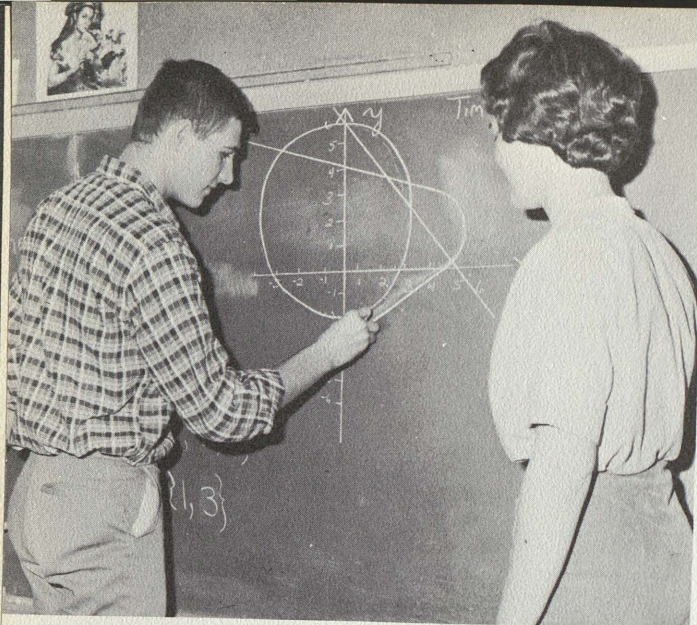

Crafts classes concentrate upon useful objects such as ceramics and jewelry. Color and form are easily seen in the craft projects.

Drawing classes, both mechanical and architectural, are necessary for those who are interested in architecture and engineering. Clarity, precision, and detail are stressed in these classes.

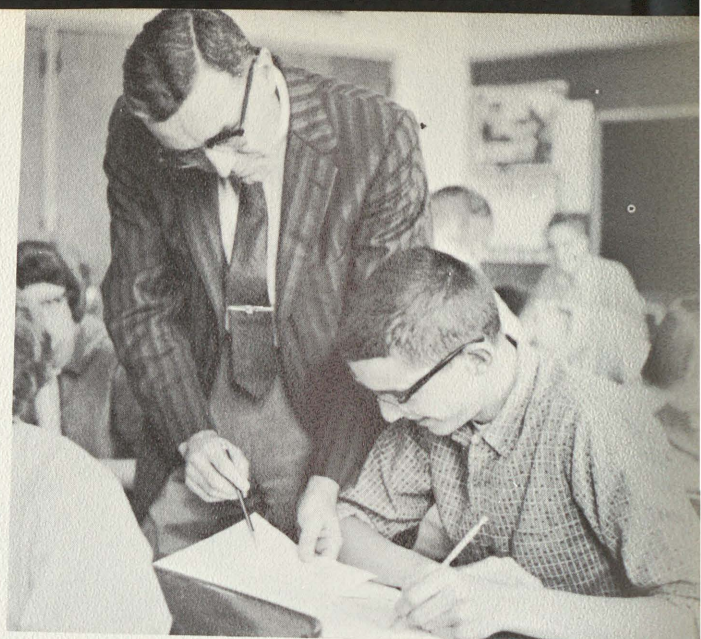

The industrial arts classes, consisting of wood and metal shops, prepare boys for trade occupations while teaching them useful ways to coordinate mind and hand.

Precision is of importance to students in mechanical drawing classes.

Sue Decker offers good natured criticism concerning the structure of Tim Houlihan's "curved parabola."

Mr. Demers instructs Terrance Jackson on the proper approach to geometry problems.

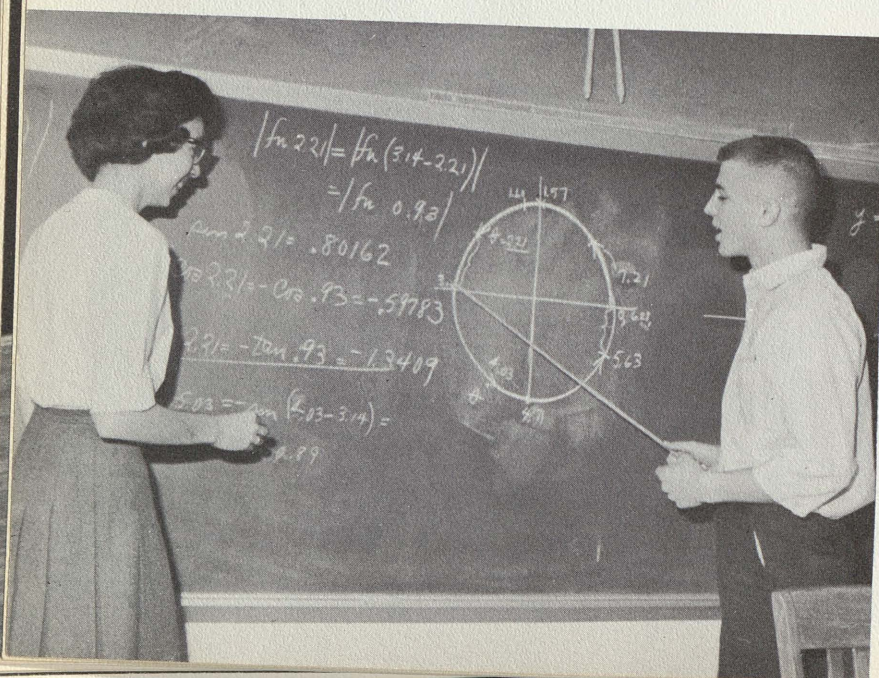

Equations Puzzle Math Majors

The early mathematicians, Pascal, Euclid, Pythagoras, and others, established the foundation for the study of mathematics. Through the discoveries of these men, math classes are able to pursue their teachings. The fundamentals of geometry, algebra, and trigonometry are taught in the honors classes at a more rapid rate than that of the conventional classes.

A college-bound student after his elementary training in arithmetic would enroll in algebra, where

he is taught in the ways of letters and negative numbers as well as regular numerals. Following this training he would study geometry and be instructed in lines, angles, and surfaces. Then he would resume his study of algebra and pursue the complexity of trigonometric functions.

The business, refresher, vocational, and preparatory math classes direct the students in solving everyday problems of percentage, interest computations, retailing, etc.

Wayne Bank discusses a trig problem with Elna Jameson.

The study of foreign languages is essential in order to get along with and to understand others in this modern day world. Legenda Staff Profiles School

Twenty-two *Legenda* staff members meet one and two hours a day under the leadership of Mary Ann Huyghe, editor, and Mrs. Joy Mann, adviser, to create a distinctive and informative record of a year's activities at Arthur Hill.

Section editors arrange layouts, crop pictures, and

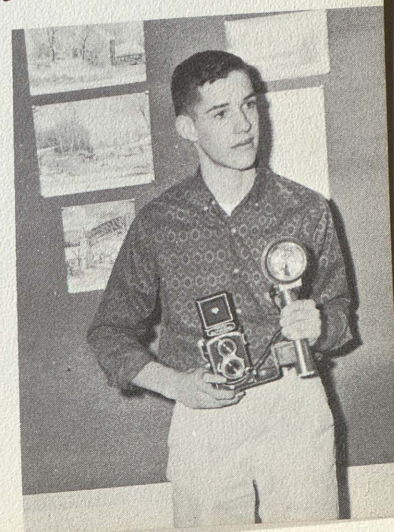

write copy and identification to meet the deadlines on their quota of pages.

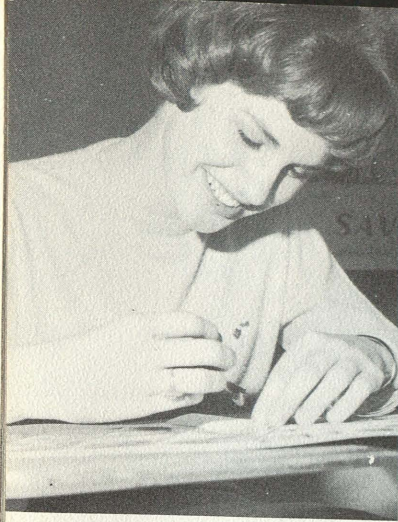

At the end of the school year the book is distributed to the students. Their interest and appreciation is enough reward to the staff for a year of hard work.

Carol Murphy, as administration editor, selects her pictures for teachers' candid shots.

Classes, one of the larger sections of the *Legenda*, draws editor Mary Boulton's concentration.

Legenda photographer, Spencer Waters, shows dependability and skill at his job as *Legenda* photographer.

Social Science Is the Exploration

of the Times

Understanding government policies and the study of foreign lands are variations in the social science curriculum. The study of our American heritage is emphasized in American history classes as they pay particular attention to national heroes and customs. World history classes travel through the ages of time from Egypt's pharaohs through England's monarchs, discussing the changes of civilization through the centuries. Geography classes explore the structures of different nations as they watch for climatic, geographical, and geological features. Economics classes delve into the nation's economy with special attention given to the income tax. The complex system of politics coupled with local, state, and national governments highlight government classes. Sociology classes study habits, cultures, and customs of foreign and familiar peoples.

Mr. Stewart oversees his Economics class as they review their day's lesson.

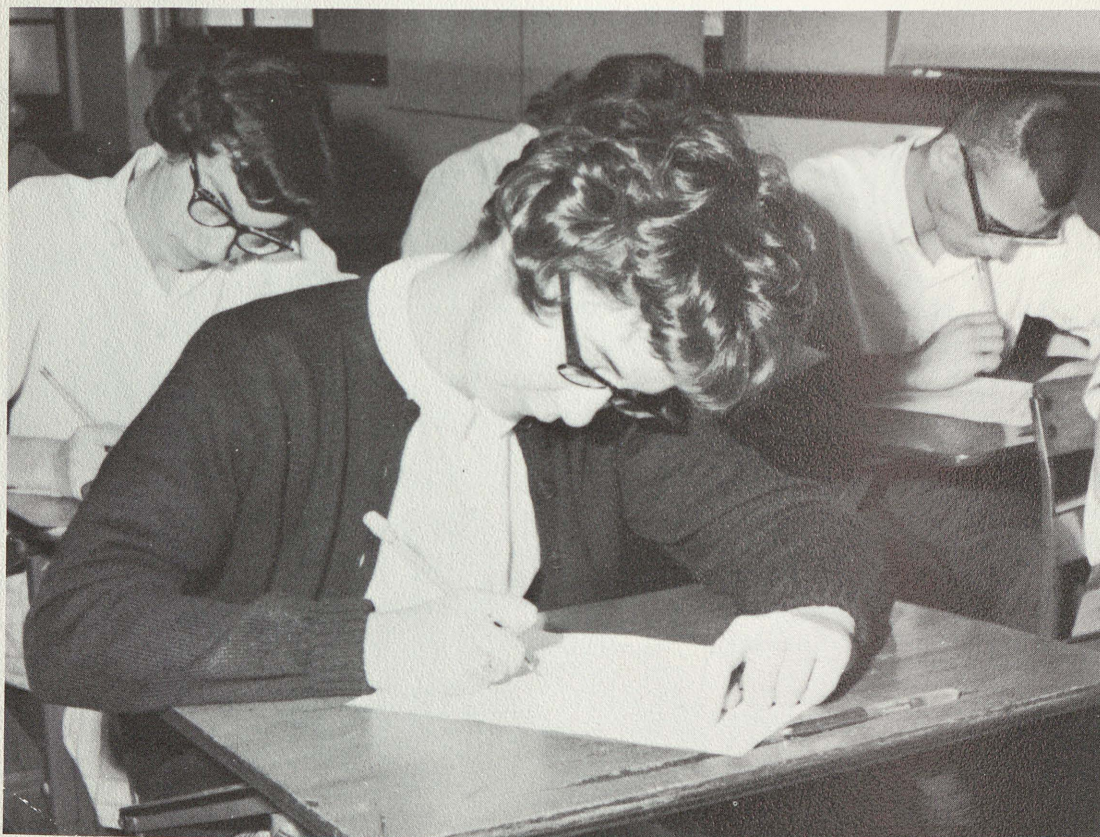

Hillites arriving for school on an October day may have inspired the following quotation: "Each day the inquisitive return."—Tom Weber, '63.

Variety is the essence of English classes, variety that trains a student to express himself in any field. Does he want to write a skit for the Band Bounce, prepare a panel discussion for history class, make up a cheer for a pep meeting, or write a report of an experiment in chemistry class? The precision of expression required in English class prepares the student for all these.

Often students express thoughts of real worth in beautiful language. On these two pages appear outstanding student quotations illustrated by pictures of school life.

English Mastery Proves Vital

Deeply absorbed in what they are writing, Elna Jameson, Virginia Pudschun, and Tom Jacob exemplify this quotation taken from a composition written for Miss Christine Webb's eleventh grade honors English class . . . "Nothing seems more important than creating."
—Maruta Miluns, '63.

The English teachers suggest direction, and the student goes out on his own private research, sniffing and probing this way and that in his travels until he makes his own discoveries. Insights dawn as he reads and ponders, refines his thoughts, turns them over and over, accepts this, rejects that, and then writes.

The English student begins to understand himself and his fellow man as he reads great literature. From Thoreau's *Walden* and Emerson's *Self-Reliance* he learns independence of spirit. He feels compassion in the humor and pathos of O. Henry's stories of the "Four Million", senses E. B. White's deep patriotism and purity of writing style in *One Man's Meat*; learns the sweep of human emotion from Thomas Wolfe, acceptance of life from the couch of Laotsze, and drama and vitality from the plays of Shakespeare. From these great companions some goodness must come.

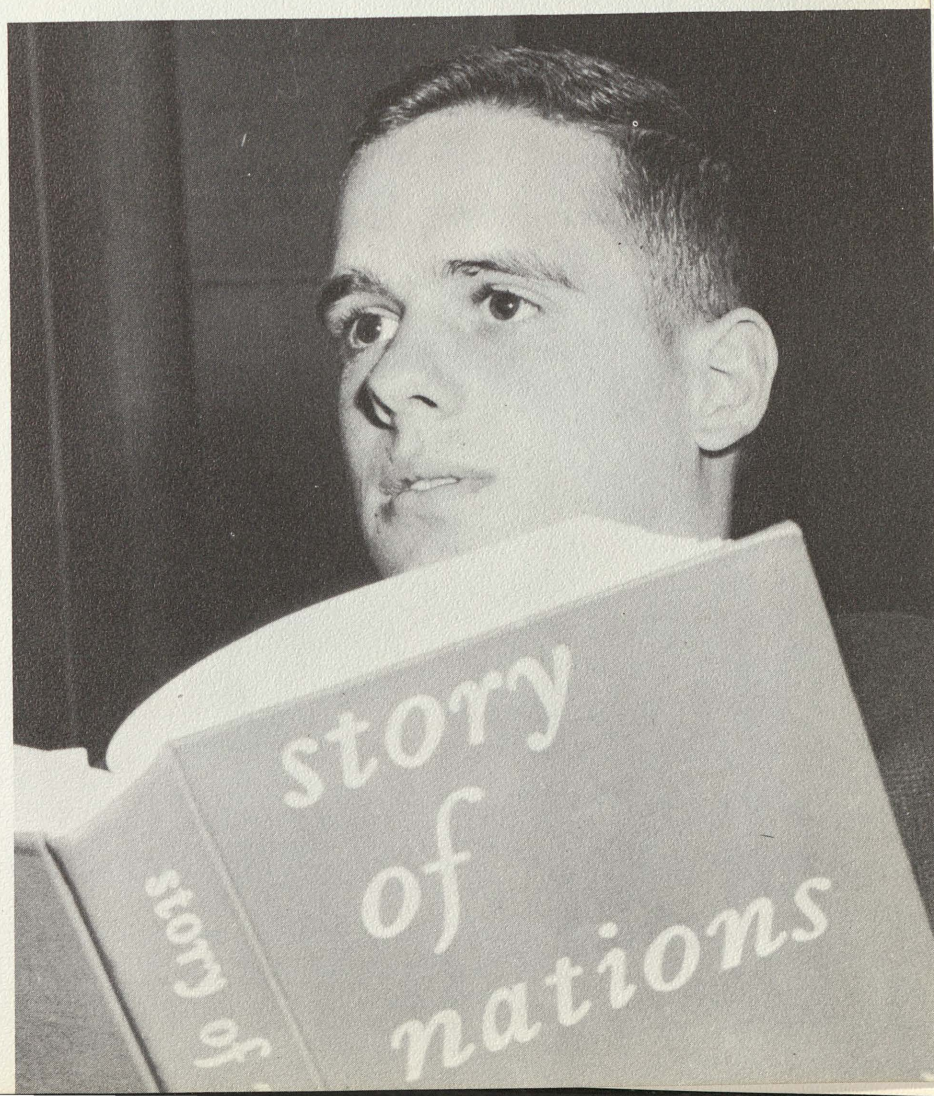

Making her own discoveries while browsing in the Arthur Hill library, Trudy Beird proves the worth of these words from an English paper: "The world of discovery is an endless hall of many doors: the opened doors of the past and the closed doors of the future."— May Mannion '63.

In All Areas

A photographer catches John Hill during a reflective moment as he studies his history lesson. Do these words from a student's English paper from Miss Christine Webb's honors English class express his thoughts:

"In peace or in war the atom portrays an Atlas who can either shoulder or abandon his burden."

— Diane Peele, '63

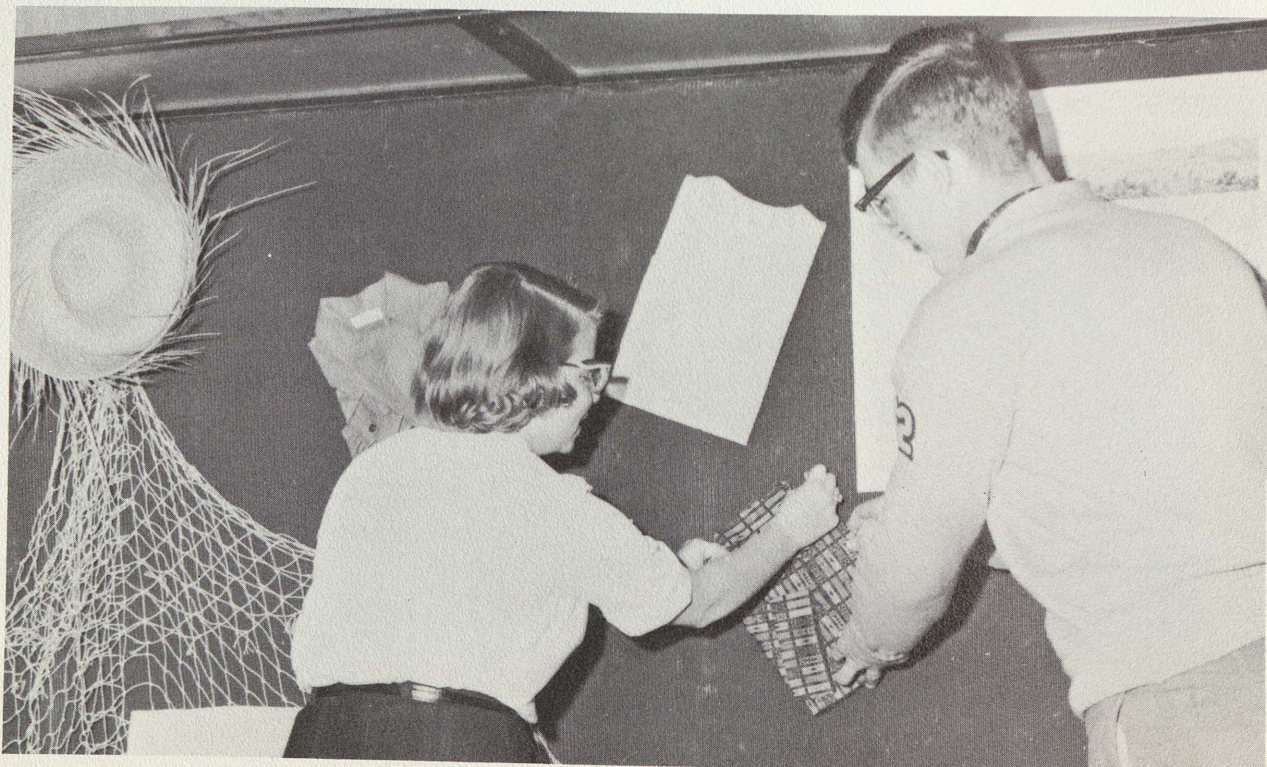

As a receptionist and typist at First Savings and Loan Association, Sue Smith is kept busy.

Rosalyn Gray, an employee at Saginaw Valley Bank, has several jobs to perform, among them working in the checking department.

Harriet Houser and Bob Schoenmeyer get practice in window trimming by arranging the display cases in business training class.

May Mannion and Janet Brubaker total the money taken in during the day at the student store.

Co-op Students Achieve Desired Goals

"Zing . . . zing . . . zing." That is one of the many sounds that can be heard each day throughout the business education hall. It comes from the room of a typing class. These classes and the other business education classes, ranging from business mathematics to office training, train Hillites for business.

Many of these students are dismissed early from school each day to go to their respective jobs at offices, stores, and banks in various parts of the city. Others have jobs on weekends, though some may enroll in these classes as an aid in taking notes or in writing term papers for college.

Arthur Hill's Student Store, which operates before school and during both lunch hours, grants experience to those who are not working outside of school and is handy for the student customer to buy notebook paper, ball point pens, book covers, and other class needs.

Shirley Kietzman seems to enjoy working with the typewriter in her office training class.

What's next? Reporters Linda McCullen, Rosemary Schultz, Margaret Pahl, Cheryl Streb, Jacqueline Schreiner, Sally

Cox, Jackie Rezius, Carolyn Sauvie, Ann Marie Spenser, and Dathleen Jarema eagerly look for new assignments.

Selling ads, typing, and taking pictures are a must on every publication. Fulfilling these jobs are Shirley Canaday, Betty Baker, Bob Byrnes, Ken Buse, Frank Rivette, Ronald Moser, Judy Gillig, and Irma Krause.

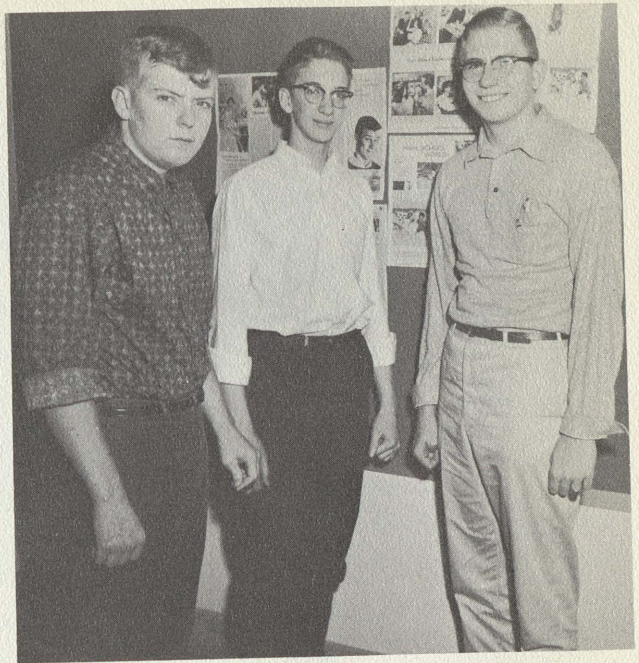

"The Arthur Hill News is ready for distribution today." With great anticipation of what is to come, Hillites close their books and wait for the arrival of the News.

A feature of each edition this year is *Impressions*, by German exchange student, Wolfgang Ruhwinkel, whose amusing articles fill Hillites with delight. Not to be forgotten are the club notices, Top of the Hill, editorials, sports, and any other news which is of interest.

Students gain admission to the news staff after completing Journalism I. Under the supervision of Miss Crump, each staff member is assigned a certain job, editing, writing, selling ads, typing, or taking pictures.

Sharon Canaday and Dale Timm capably lead the News staff through the year.

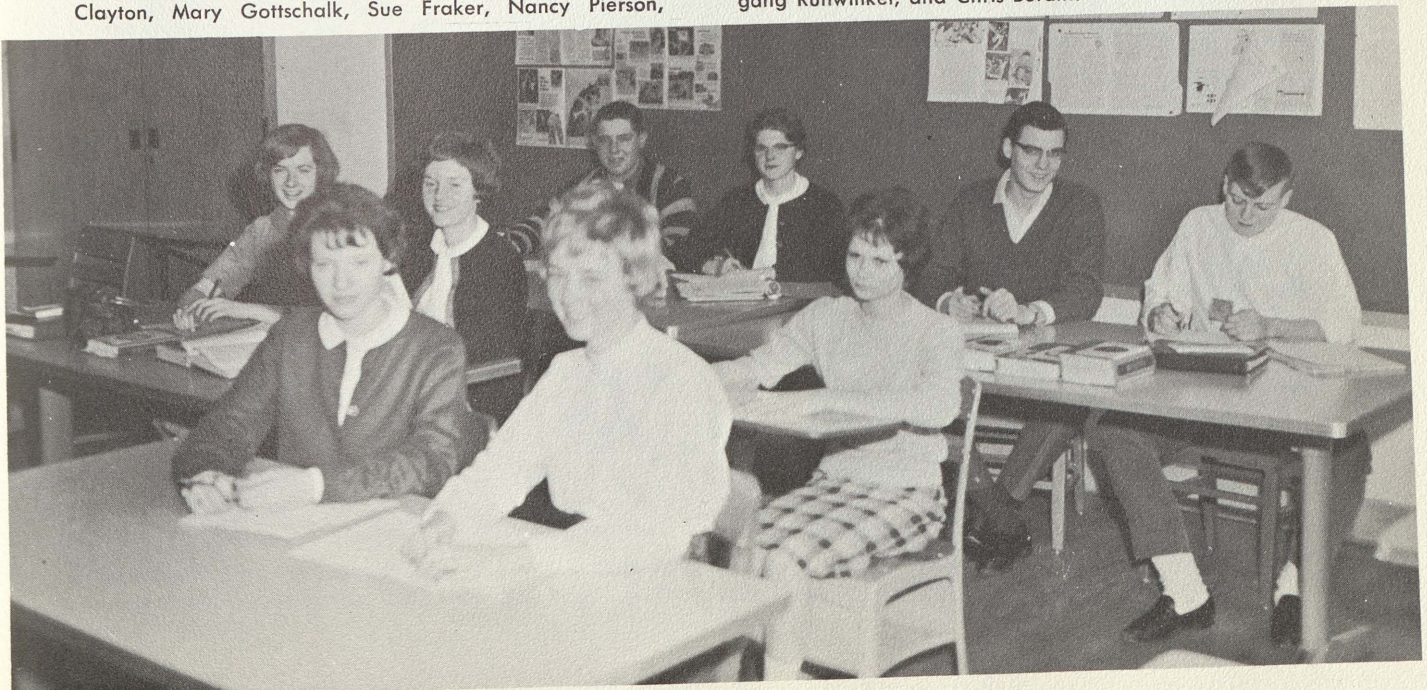

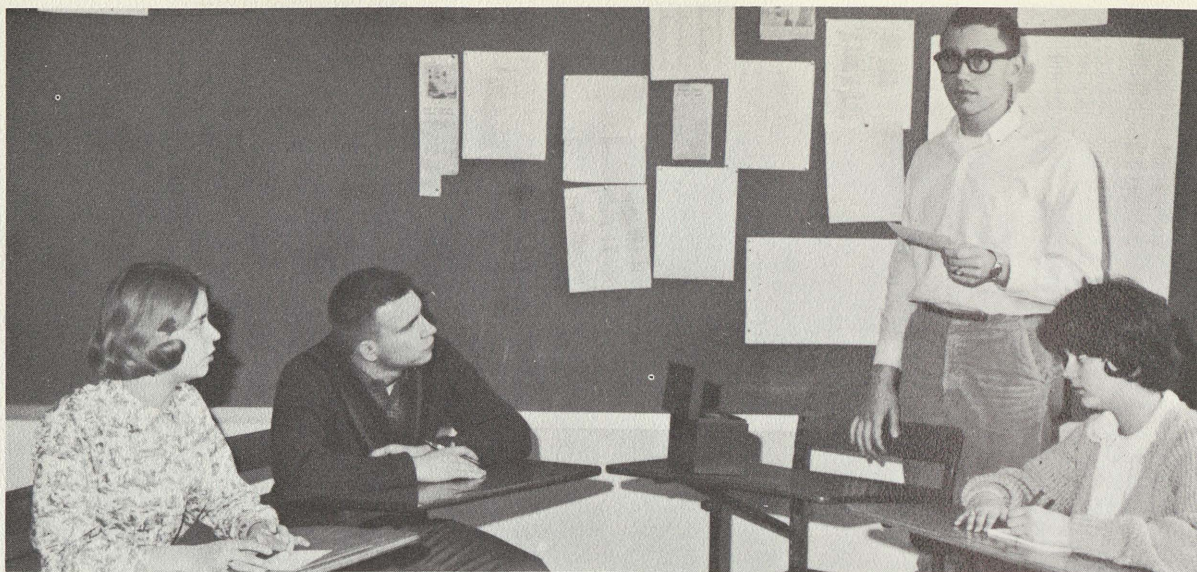

Chris Burditt, sports reporter; Dean Sommerfield, reporter; John Puravs, sports page editor.

Arthur Hill News Rates High Among Hillites

Responsible for the writing of editorial columns are Carol Clayton, Mary Gottschalk, Sue Fraker, Nancy Pierson,

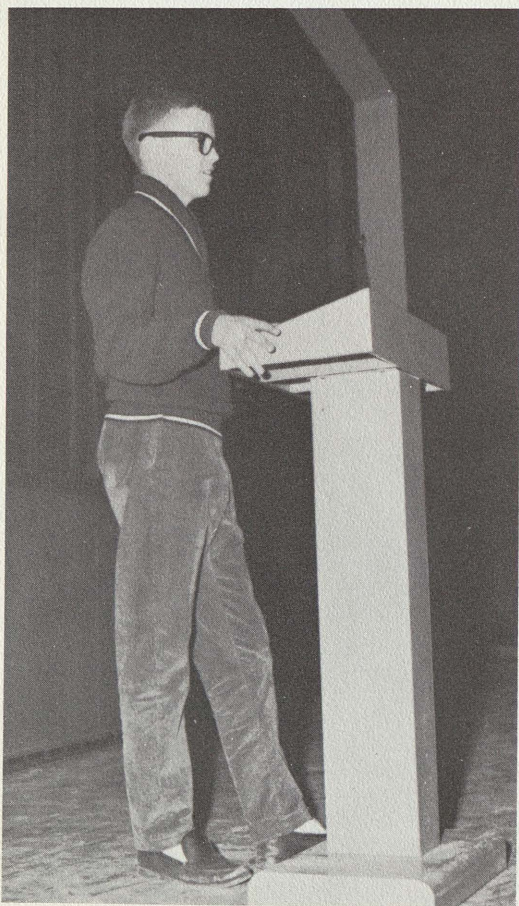

Kathleen Urbancik, Jeffrey Berlin, Sherry Bartlett, Wolfgang Ruhwinkel, and Chris Burditt.

Nancy Schneider, Dick Zirkle, and Jackie Martin give their attention to Tom DuCharme as he explains his point in a daily debate.

Speech Classes

Jim Bush delivers a daily address in public speaking class.

Through panel discussions, debates, and demonstration speeches public speaking classes learn how to deliver a well organized and planned address. Through the course of one year students under the direction of Mr. Ralph Grueber are ready to speak with the ease of practiced lecturers.

Debate and forensics are combined into one annual course. The debating team under the coaching of Mr. Keith Birdsall placed seventh in Valley competition this fall. During the second semester the debate students assume the study of forensics, the study of rhetoric.

Connie Hall, Karen Jacob, Priscilla Martin, listen attentively as Peter Schilling illustrates a point in an influential discussion.

Aid In Acquiring Self-Confidence

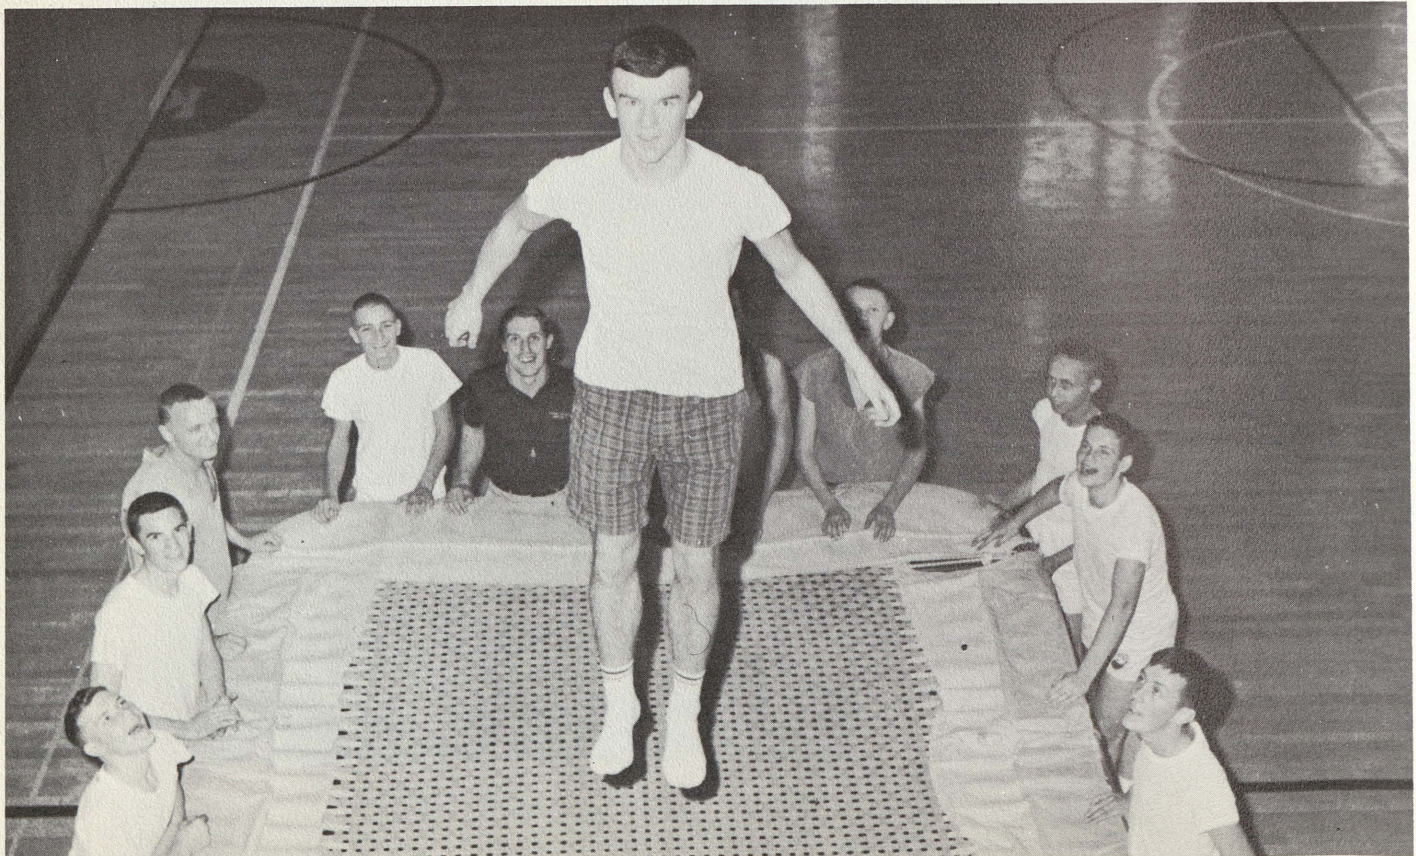

Members of the debate team are; Tom Karow, Pete Schilling, Patricia Martin, Tom DuCharme, Jackie Martin, Steve Wysong, Nancy Schneider, Bob Markovs, Priscilla Martin, Jim Karls, Connie Hall, Dick Zirkle and Jeffrey Berlin.

Gym And Guidance Classes Test Physical And

Higher and higher goes Gunter Haucke as fellow gymnasts look on in amazement.

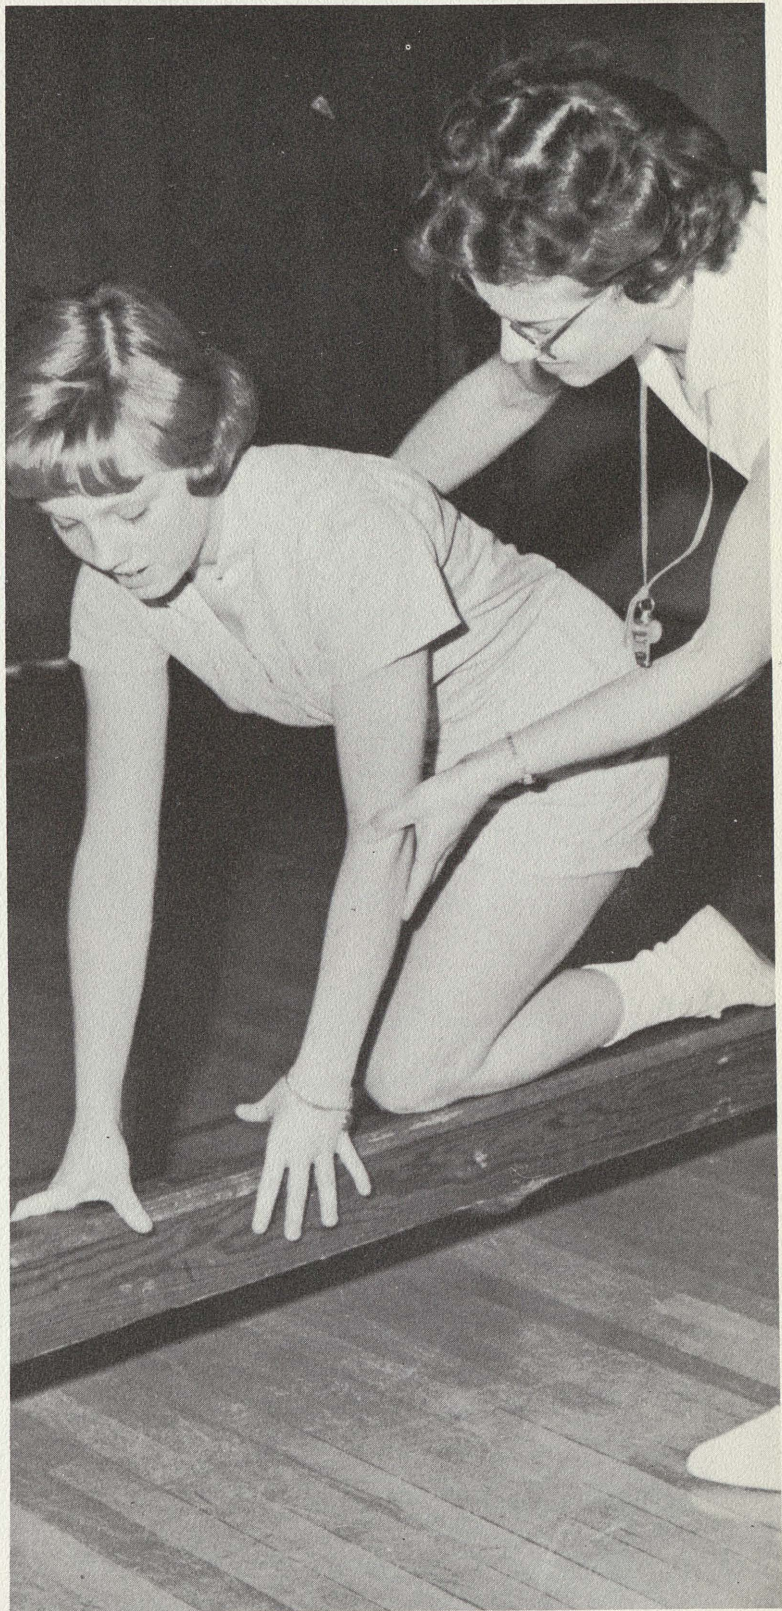

Ken Feit and Margaret Asman seem to enjoy taking this test, one of many given in sophomore guidance classes.

Mental Abilities

Orientation to high school, standardized tests, and the booklet *Introduction to High School* make up a part of the guidance program. Sophomores also study the fundamentals of good manners and health.

Gym classes undertake a variety of activities ranging from badminton, volleyball, and calisthenics to trampoline, and balance bars. Many students also welcome the chance for a refreshing swim in our pool, even though it is during class time.

Sophomores are taken from their study hall for a six-week driver's training class. It is one of the most eagerly awaited classes during their high school years.

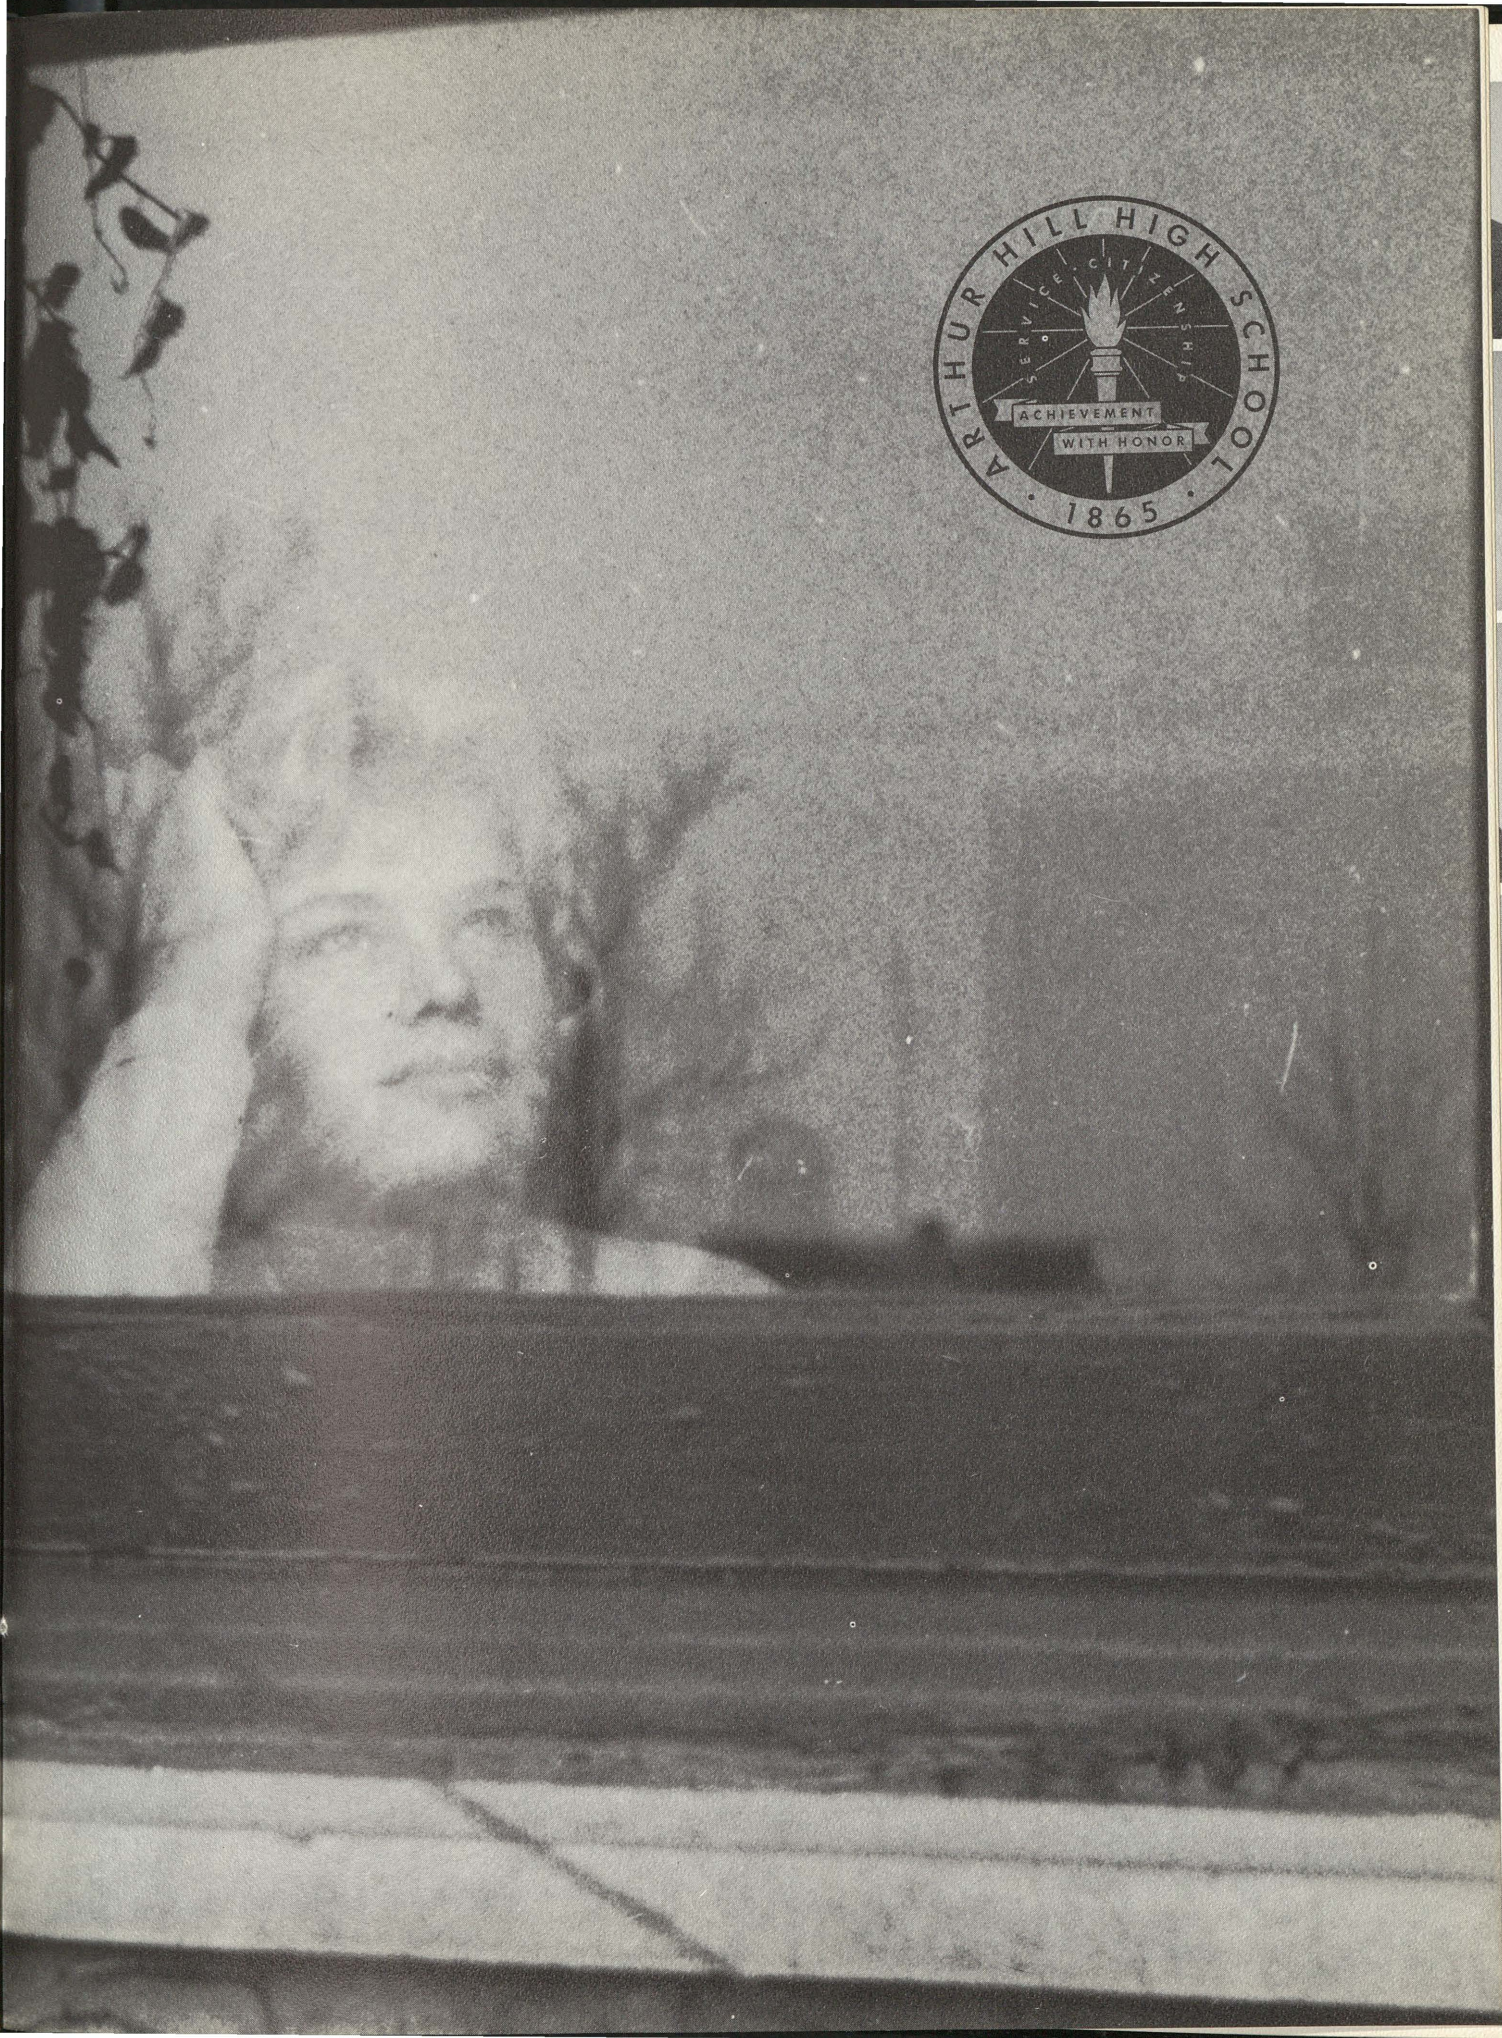

Miss Orvene Johnson, gym teacher, helps Sandy Barber in the knack of mastering the balance bar.

SENIORS

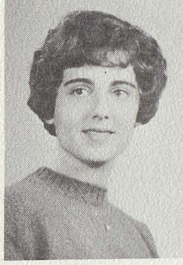

Profile Of The Final Year

IN THE HEART OF ANY SCHOOL IS ONE STUDENT FACE WHICH IS MOST ADMIRERD, THE FACE OF A SENIOR. A SENIOR'S FACE IS ONE THAT CAN LOOK BACK AS IT LOOKS FORWARD. A SENIOR CAN ALWAYS RELIVE THE TIME WHEN HE WAS A PART OF THE SCHOOL, WATCHING FOOTBALL GAMES ON A MISTY OCTOBER EVENING, MAKING HIS OWN MOMENTOUS DISCOVERY IN SCIENCE CLASS, TRUDGING HOME THROUGH THE SNOW ON A WINTER AFTERNOON, AND DANCING 'TILL MIDNIGHT AT THE PROM. HIS FACE SHOWS THE PRIDE OF SUCCESS, THE SADNESS OF FAREWELL, AND THE VISION OF A FUTURE BEYOND THIS PLACE.

Sophomores Exhibit Future Strength

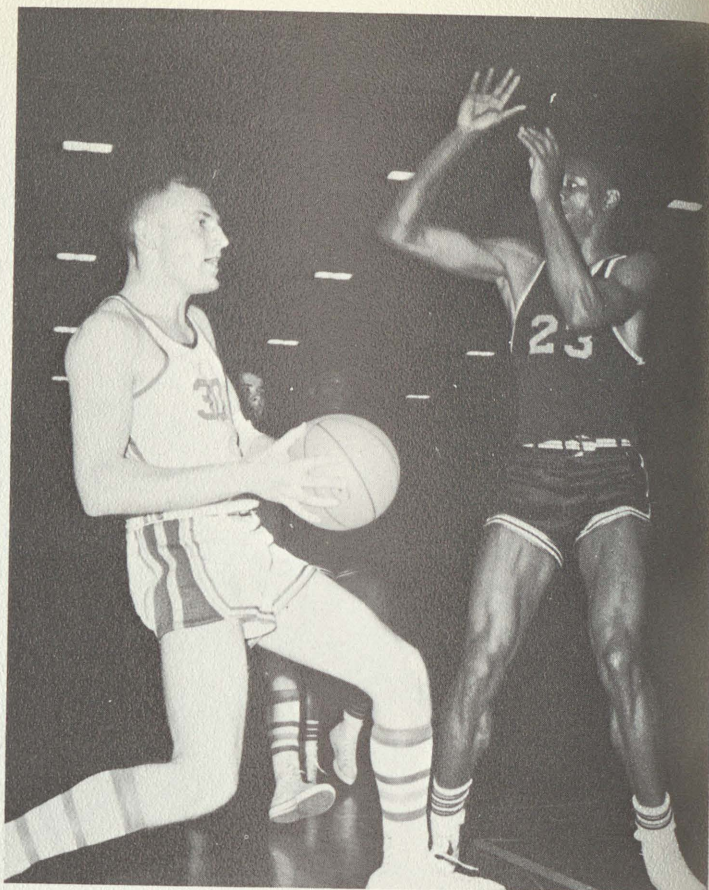

The 1961 football season saw the Saginaw Valley League expand to nine teams with the addition of Midland, Bay City Handy, and Flint Southwestern to the former members. With this expansion, the strength of the S.V.L. was increased from its already prominent position among the other state conferences. Our Lumberjacks, a charter member of the league, recorded a 2-6-1 season with their unyielding determination, an excellent credit to our men.

Jim Yates (75) moves in to help clear the way for Dave Landeryou. Junior quarterback Jim Flora (23) is following the play.

OUCH!—Bay City Handy's Don Bach (13) grimaces from a knee in the back. He also collected a foul for his troubles as Dennis Schumacher tries one of his famous drive-ins.

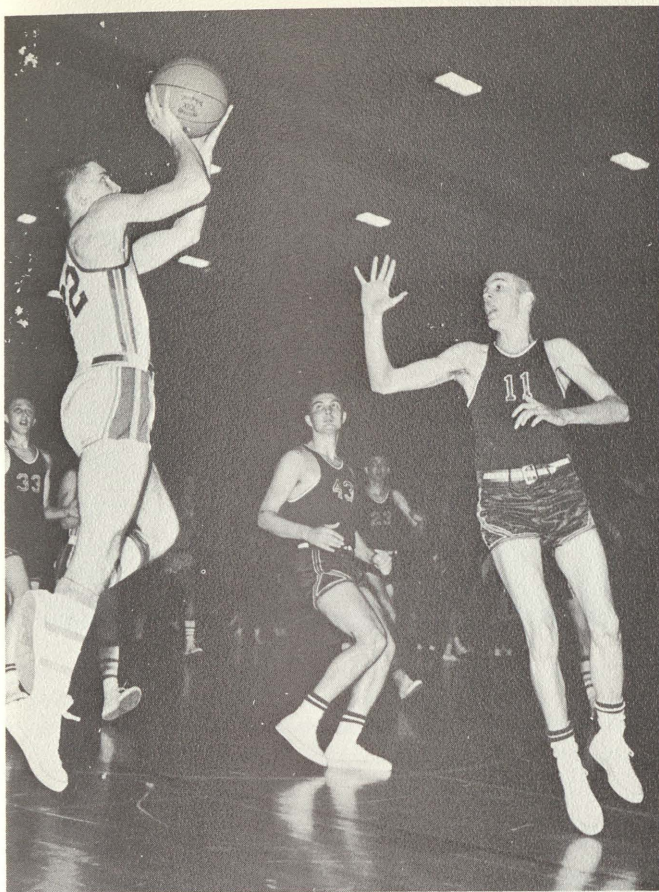

"OUT OF MY WAY"—Bill McMullin steadily improved and became Mr. Fowler's chief reserve. Here he tangles with Saginaw High's all-state Ernie Thompson.

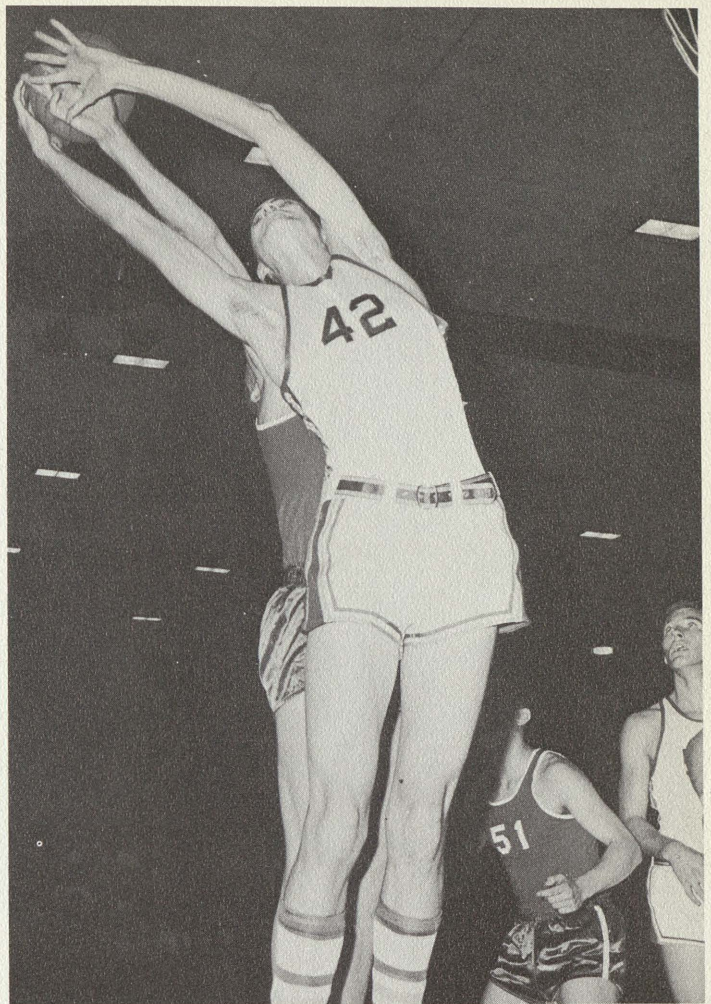

HAIL DISTRICT CHAMPS

Height — the tallest team in our state, depth — a bevy of capable reserves, and talent — four men averaging in double-scoring figures composed Arthur Hill's basketball fortunes for 1962. Under the able leadership of coach Charles Fowler the cagers captured a successful 12-6 season and a district championship. Throughout most of the season Arthur Hill looked like a potential powerhouse. Three heartbreaking defeats from cross-town rival, Saginaw High — the eventual state champions, and several letdown games kept the team from an unusually excellent season.

Much of 1962's talent is young, however, and people are looking for Arthur Hill to be a state title contender once again.

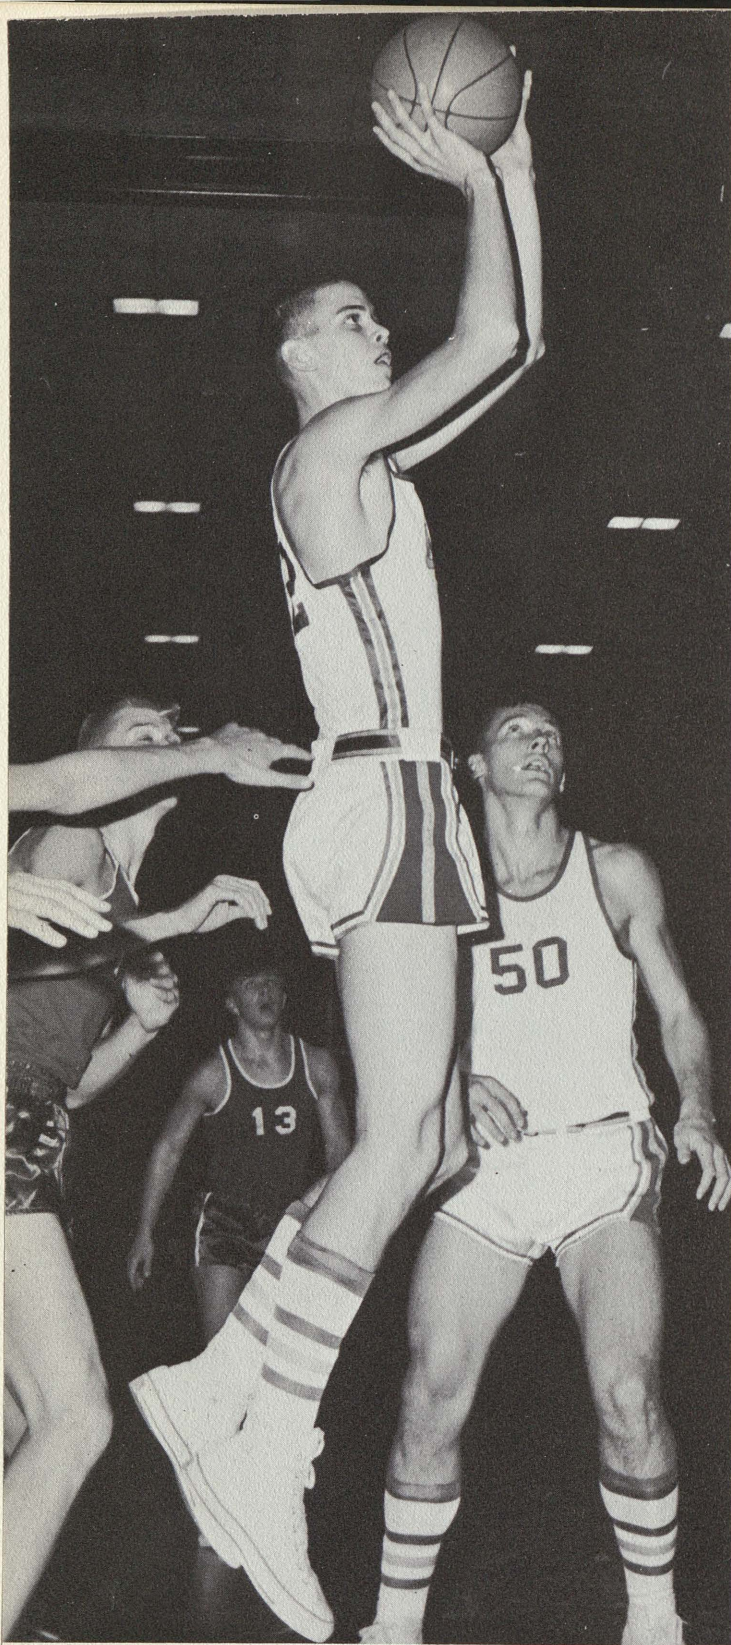

"SWISH" FIRES—Keith "Switsh" Kunding displays the shot that put him among the SVL scoring leaders.

THE BIG STRETCH—Craig Dill didn't get every rebound, but the reach he displays here enabled him to be the teams top retriever.

FRONT ROW: D. Sharkey, J. Goulding, L. Schroeder, W. Heilbronn, M. Fisher, K. Felt, R. Howell, W. Weber. SECOND ROW: Coach D. Goodman, M. Richter, M. Brooks, T. Hersem, T. Jackson, C. Schultz, T. Houlihan, T. Shoskey, W. Firchau.

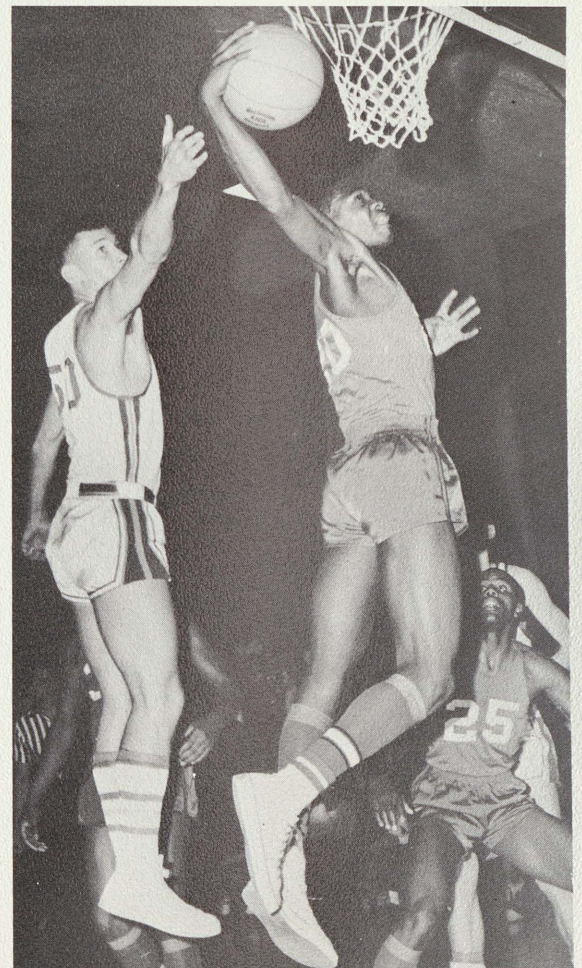

CRAIG TAKES AIM.—With a determined look, Craig Dill, our 6'10" center, prepares to launch a shot.

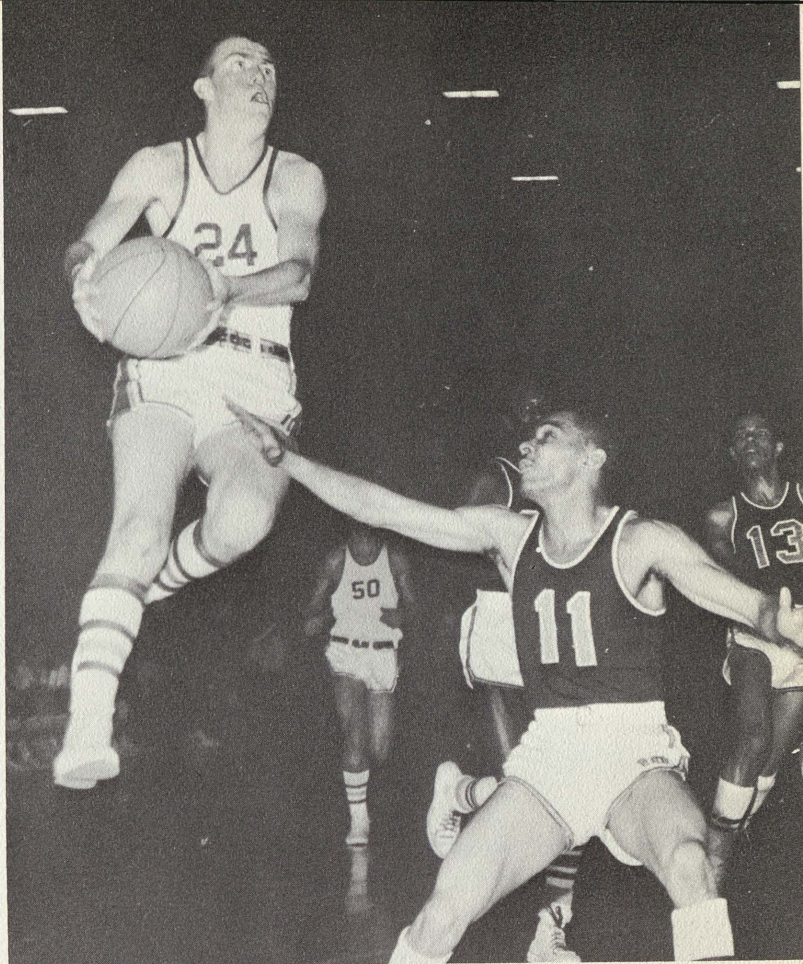

1962 Varsity: Coach Charles Fowler, Tom Hill, Jim Flora, Bill McMullin, Bill Firchau, Ladd Baumann, Denny Schumacher, Craig Dill, Gary Schmidt, John Janssens, Keith Kunder, Bill Denten, Jeff McCormick, Don Vlassis.

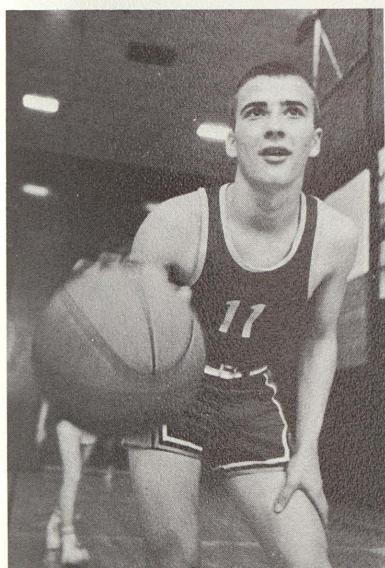

IT'S ROUGH UNDER THE BOARDS.—Ladd Baumann and an unidentified Flint Central Indian contest for the ball.

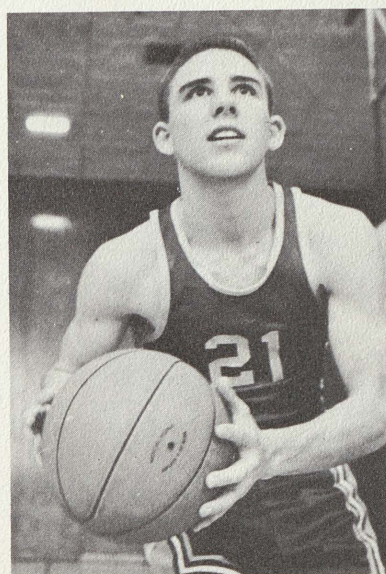

SCHUMACHER FLIES HIGH—Many times Hillites saw their senior forward soar towards the basket en route to two more points.

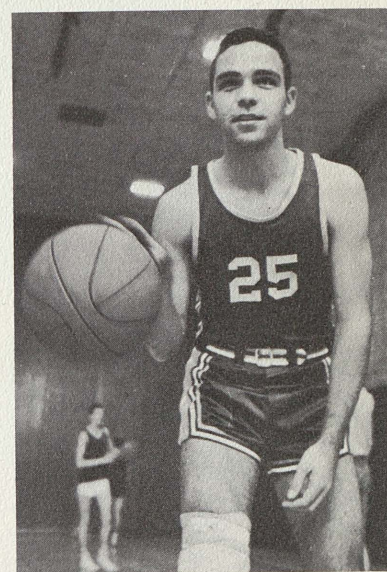

Hills Boast Height, Depth, Talent

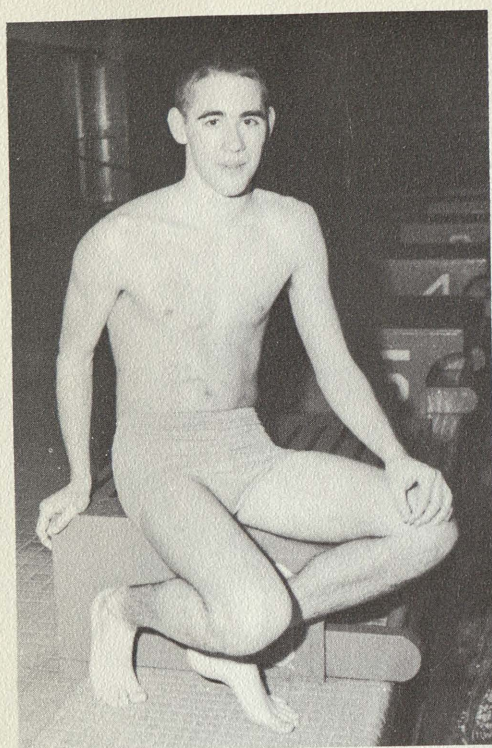

Jim Flora, who thrilled fans with his cat-quick reflexes, will return next year to again harass enemy teams.

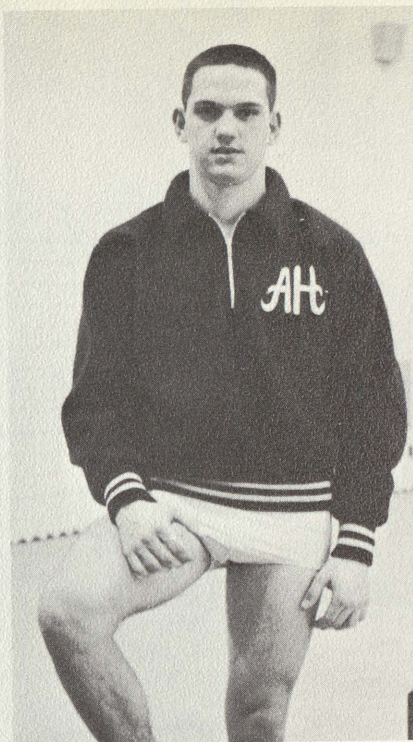

When Mr. Charles Fowler calls practice next winter, he'll be glad to see Keith Kundinger again in uniform.

Tom Hill's injured knee prevented him from competing regularly this season. He was, however, a reserve strength that helped make our squad successful.

Henry Dvorsek chased teammate Dave Sare all the way to finish second in the SVL breaststroke.

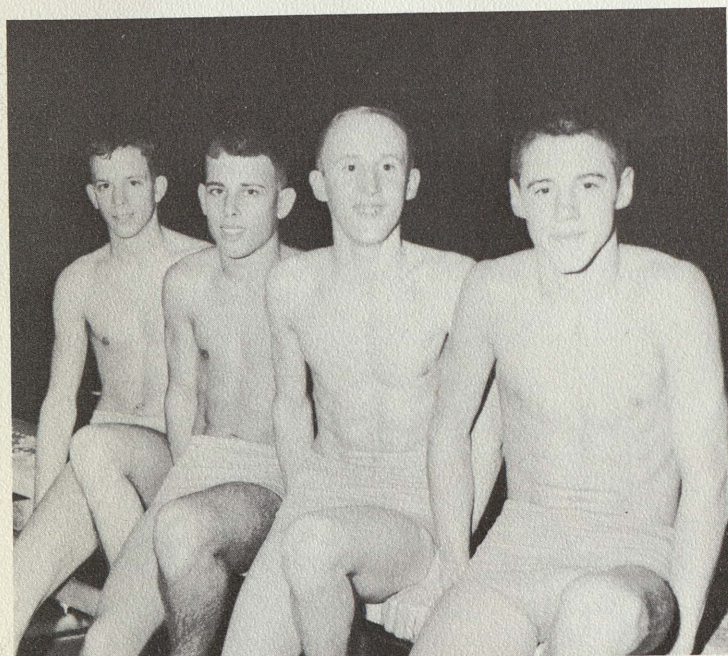

Daniel Larson, a fine freestyler.

Hillites are looking forward to another fine season from Jim Krogman in 1963.

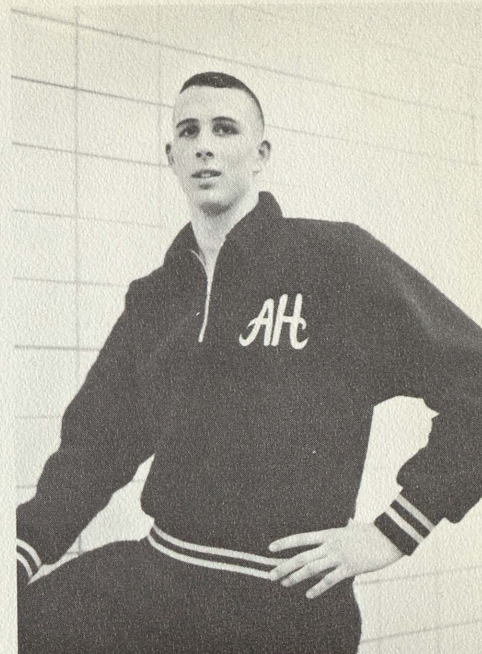

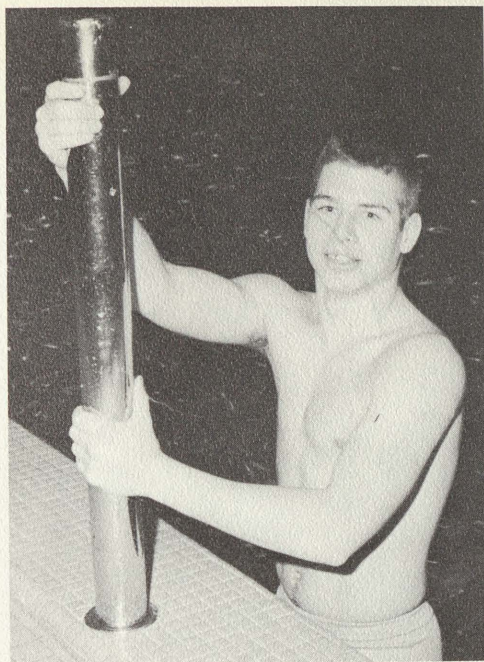

Swimmers Record Undefeated Season

Blessed with an abundance of talented divers, John Gustin, Bob Fisher, Jim Leishman, and John Dvorsek, Arthur Hill claimed four of the six places awarded in SVL meet.

Finest dash man of this year's team was sophomore John Anderson who is looking forward to two even more impressive seasons.

An all around performer, Richard Day, placed in many meets and took a second in SVL 400 freestyle.

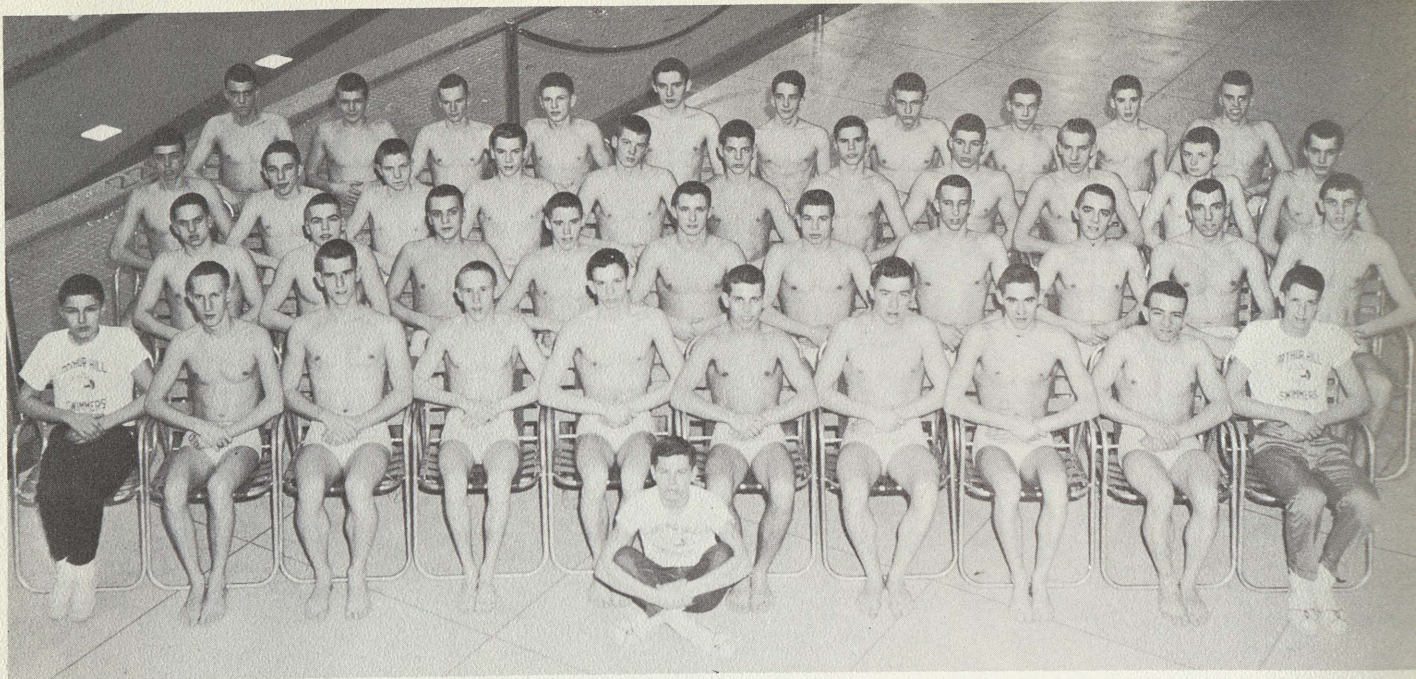

John Koerner proved to be a fine freestyler and should have an excellent record next year.

Coach Morey always had a strong entry in the freestyle event with Jack Hyslop.

New Coach Starts Out Right

Dave Sare highlighted his fine sea son with a first place finish in the SVL.

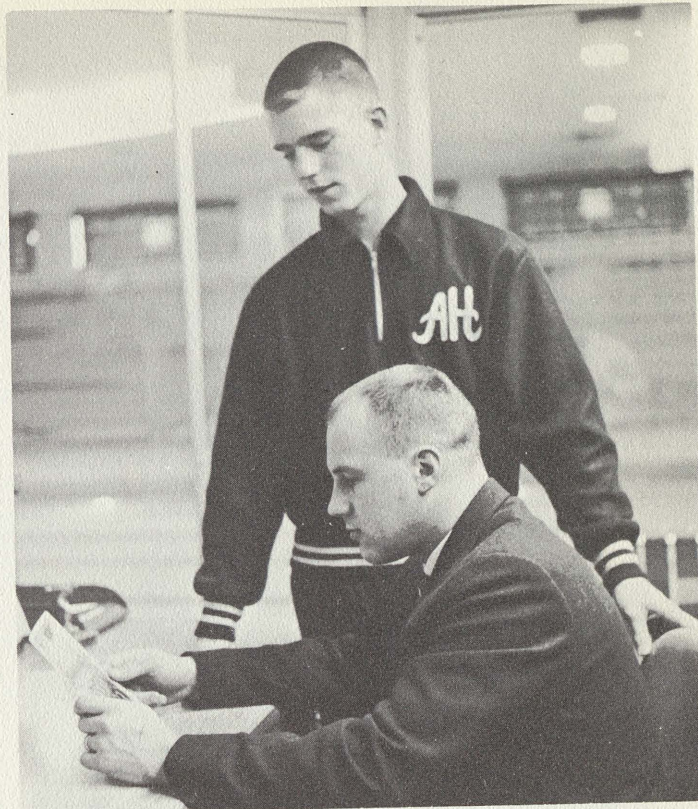

A first place in SVL meet climaxed Bruce Jochen's fine back-stroke record.

New warm-ups, a new coach, and many new records highlighted the 1962 swimming season. Mr. Donald Morey, a former Hillite, succeeded Mr. David Gainey and continued the successful record our swimmers have enjoyed in past years. Arthur Hill's perennial crop of fine swimmers surpassed all expectations. Placed together, these yielded an unbeaten, untied dual season record, the finest Arthur Hill season in sixteen years.

The valley meet was a complete Hillite victory as the team more than doubled the score of its nearest competitor under the guidance of our new coach and our able captain James Wilhelm. 1962 was a season to remember!

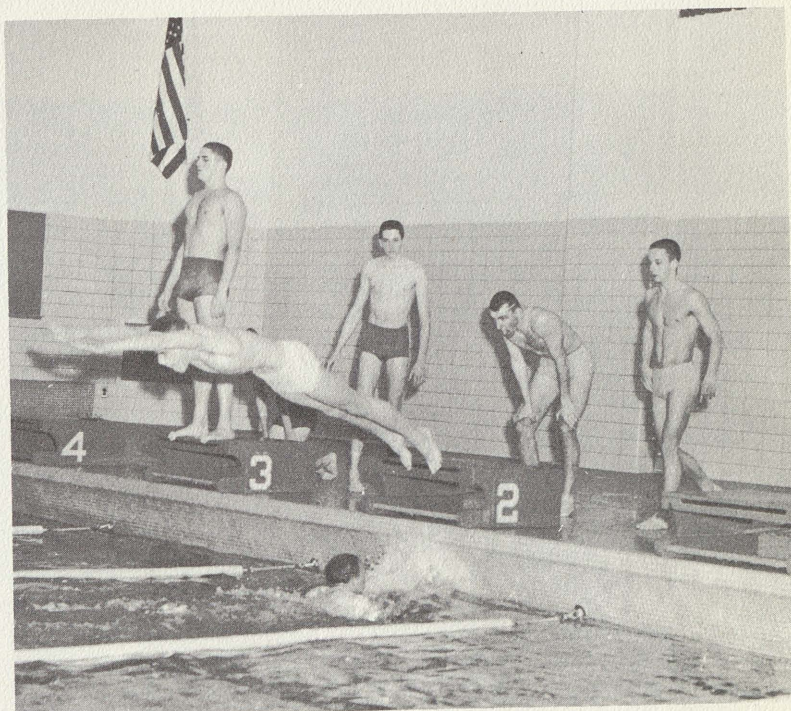

Coach Donald Morey ended his first season at Arthur Hill with a very impressive record.

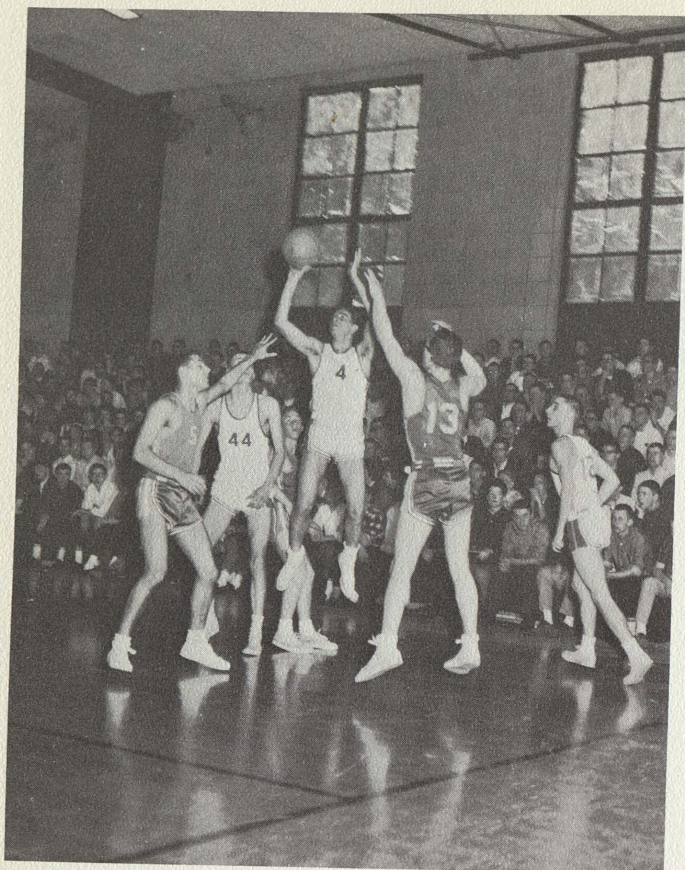

Tankers Swim Best Season in 16 Years

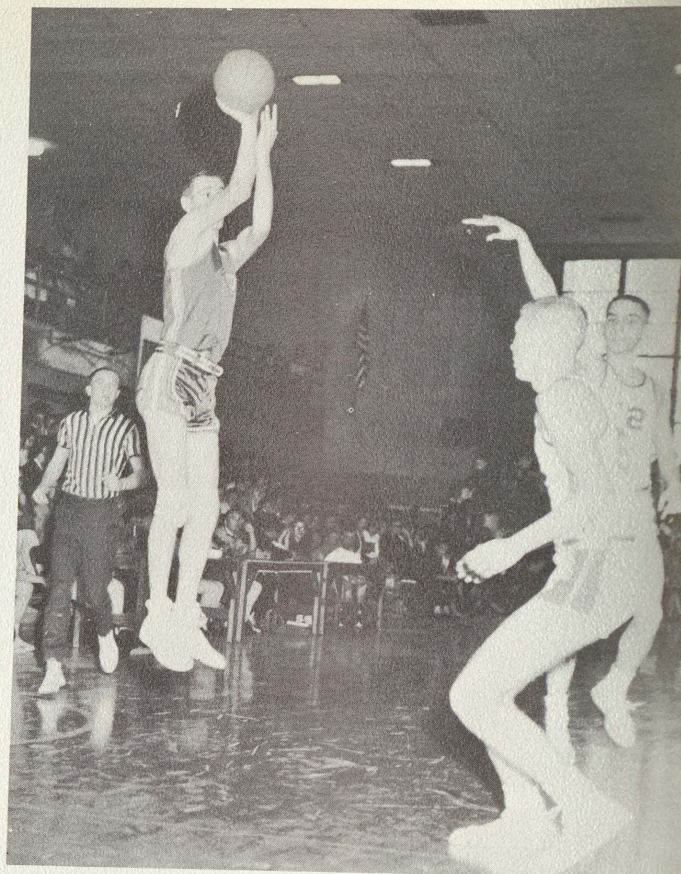

Undefeated in the regular season, Bob Stewart placed a commendable sixth in the state meet.

The medley team of Bruce Jochen, Bob Stewart, John Anderson, and Dave Sare finished a fine second in the state meet.

Larry Golz (4) rises above the mob to take a shot. Others included are Gary Will (5), Mike Hutchinson (44), Dale Vincent (13), and Vaughn Goodenow (12).

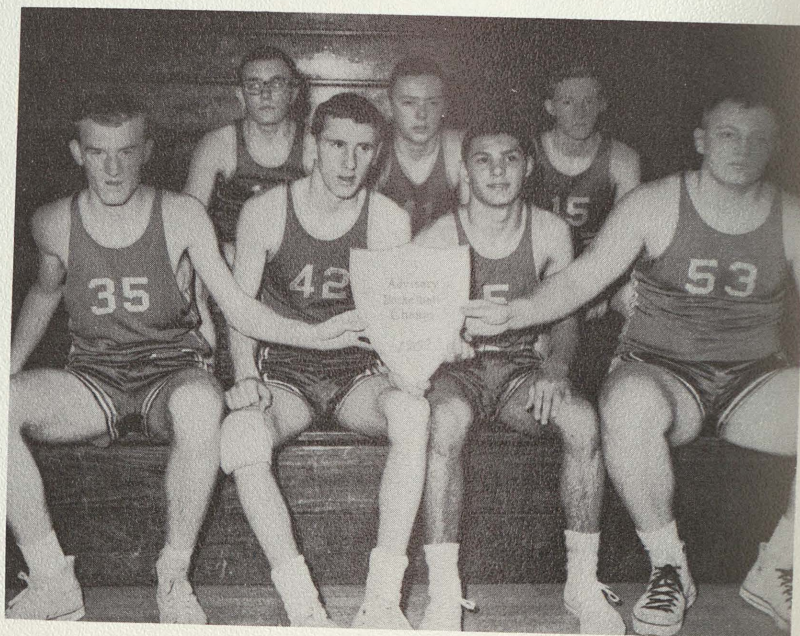

Tim Wilson (43) arches a shot over the heads of Bill Gaus (5) and Vaughn Goodenow (12) during the advisory championship game.

Rebels Change History

Surviving both 6:30 a.m. drowsiness and all opposing teams, the advisories of Miss Hile and Miss Reavey, representing the North and South halves of the school respectively, qualified for the advisory championship basketball assembly. It was a close battle with the South finally outlasting the North, 44-36.

All participants of the early morning activity are to be congratulated for their loyal support.

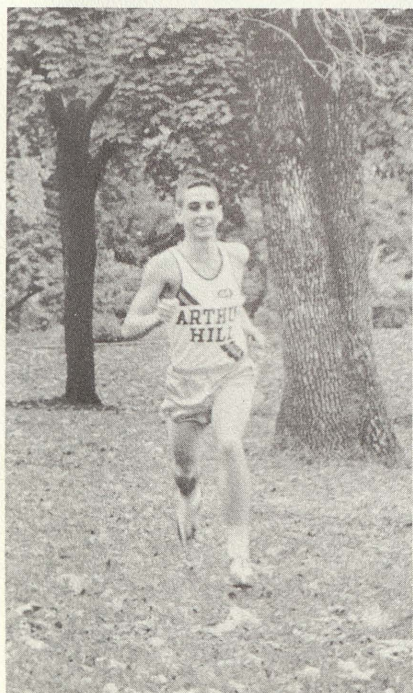

Advisory champions are: FRONT ROW: R. Whitting, T. Wilson, G. Will, J. Yates. SECOND ROW: D. Vincent, J. Turner, T. Ward.

First Row: G. Black, J. Karpicke, T. Balley, R. Stock, V. Goodenow, T. Jacob, H. Adams, M. Chamberlain, R. Lehmann. Second Row: D. Maguire, C. Franklin, N. Budd, G. Haucke, T. Kuder, J. Karls, D. Sommerfield, W. Booth. Third Row: J. Remensnyder, C. Schultz, T.

Burback, R. Mattern, R. Quick, D. Thompson, F. Hoover. Fourth Row: Coach E. Petzko, E. Kelly, G. Williams, R. McDougal, J. Meltesen, manager G. Arnst.

Harriers Undergo Contest Of Stamina

Completing his third year of competition, Vaughn Goodenow led our 1961 team.

Many miles of training are required for cross country men. Warming up for the regional meet are Tom Jacob, Ron Stock, John Karpicke, and Tom Balley.

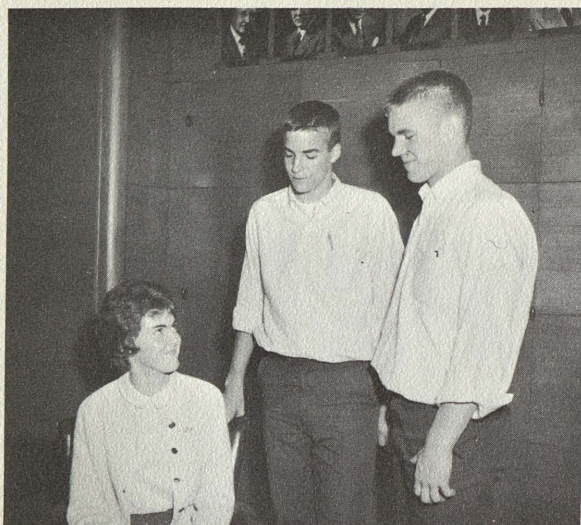

UNDERCLASSMEN

Profile Of Youth

FOR UNDERCLASSMEN, 1962 WAS A KALEIDOSCOPE OF ACTIVITY. THE SOPHOMORE YEAR BECAME THE GETTING - TO - KNOW - YOU YEAR. MOMENTS WERE ALWAYS INTENSE, SOMETIMES A LITTLE FRIGHTENED, AND OFTEN CONFUSED. JUNIORS ACQUIRED PRESTIGE AND KNOW-HOW, AND FOR THEM DOORS BEGAN TO OPEN TO GREATER PRIVILEGES, DEEPER KNOWLEDGE, AND WIDER FRIENDSHIPS.

ALL THESE FACETS OF UNDERCLASS LIFE BUBBLED WITH VITALITY, FOR WE WERE SIXTEEN AND THE WORLD WAS MAGNIFICENT.

Presiding junior class officers are Jane Mason, president; Bob Lytle, vice-president; Pete Boyse, secretary-treasurer.

CLUBS

Profile of Interest

A SKIER'S INTENSE INTEREST AS HE MAKES HIS FIRST RUN DOWN A DRIFTED SLOPE, A YOUNG PERSON'S SATISFYING REWARD IN GIVING A HELPING HAND, THE PRIDE ON THE GLOWING FACE OF A STUDENT AS HE IS ACCEPTED INTO AN HONOR CLUB AFTER ACCOMPLISHING A CHALLENGING TASK, THE CURIOSITY THAT IS STIMULATED IN THE LANGUAGE SCHOLAR TO LEARN OF OTHER NATIONS AND TO WIDEN HIS OWN HORIZON; AND THE DEEP CONCENTRATION OF THE OPPONENTS IN A CHESS GAME; THESE PROFILES OF INTEREST GENERATE FROM THE CLOSE ASSOCIATION THAT CLUBS CAN GIVE.

Hi-Y members shoot for the basket during a recreation night.

The purpose of Hi-Y is to promote clean living, clean scholarship, and clean religion. Boys who have the desire to fulfill this purpose are welcome to join Hi-Y. As members of this club, these boys work to serve their school and community.

In their largest fund-raising project which is the Hi-Y-faculty basketball game, youth and experience oppose each other. The money raised through this project was contributed to the expense of the new basketball score board.

Two members are chosen to attend a mock legislative convention. These members have a valuable experience, actually voting for senators, representatives, and a governor, and they also pass bills.

At the close of the school year the Hi-Y president presents the Outstanding Sophomore Boy award to the boy so chosen by students and faculty.

Support Community Services.

Girls interested in serving their community are invited to join Y-Teens. New members are initiated at a tea in early October. Affiliated with the YWCA, Y-Teen members work to promote stronger friendship between people of different nationalities and races, and to bolster community services.

Y-Teen members undertake numerous activities during the year. Sewing baby kimonos for the Needlework Guild was the Y-Teens first project this year. These kimonos are distributed to various charities, such as the First Ward and Guadalupe Centers. Decorating the YWCA with greens during the holiday season, singing Christmas carols, as well as listening to hair stylists and other speakers compose some of the activities in the Y-Teens' busy schedule.

The Outstanding Sophomore Girl, one of the school's most honored personalities, is presented her award by the president of Y-Teens at the close of the school year.

J. Pierson, C. Scott, G. Solterman, and D. Jenkins contribute their time and talent as they reflect their happiness in giving.

C'est Magnifique! . . . Ole! . . . Wunderbar!

Rae-Lynn Campau sells French Club stationery to help equip the language lab.

"Parlez-vous francais?" Anyone enrolled in a French class is welcome to join either of the French clubs. French I is for those people who wish to speak English as well as French. French II is for French-speaking members only. French Club members strive for a better understanding of France, its people, customs, and language.

Among its many projects during the year is the stationery sale. Baked goods sales, held annually in the cafeteria, always attract a crowd of hungry students.

The goal of every French Club member is to work for his club pin. In order to receive this pin, a member must earn thirty points throughout the year.

SPANISH CLUB. FIRST ROW: C. Markey, B. Wright, K. Miller, treasurer; J. Mason, vice-president; S. Keyser, president; S. Swift, secretary; M. Henderson, P. Culp, A. Peters. SECOND ROW: N. Maturen, J. "Como esta usted" is a familiar expression of students who belong to the Spanish Club. Members learn more about the language and life of the Spanish-speaking countries.

The gaiety of Pan American Day down in South America spreads to Spanish Club members also. Then, at the annual all-school awards assembly the "Excellency in Spanish" award is given to a superior student in this language.

One of the largest clubs at Arthur Hill, the Latin Club, increases the members' interest in Latin as they participate in Roman ways and customs. Affiliated with the Junior Classical League, the club is open to those who are now enrolled in a second year Latin class and have attained a first-marking period grade of "B" or better. An outstanding yearly event is the auctioning of new members as slaves to old members. Freedom is gained by the slave when he has accumulated a hundred points through good marks and active participation in the club. Games, skits, plays, style shows, pictures, and speakers, having to do with Roman life, highlight the meetings.

Marilyn Ison, president of Latin Club, stands beside a banner which states Arthur Hill's motto, "Achievement with Honor," in Latin.

Girls Swimmers' Aids: First row: K. Kaiser, J. Beckley, M. Ison, M. E. Kostrezewski, D. Glaser, M. Trombley, J. Brubaker, S. Duby, J. Wilson. Second row: Mrs. McCrea, sponsor; M. Southworth, E. Praschan, S. Boehlke, K. Needham,

In order to become a qualified swimmer's aid, girls must have passed the National Red Cross swimming tests, and have learned basic life saving techniques. Each hour these girls assist Mrs. McCrea in her swimming classes, helping classmates perfect their fundamental strokes and their dives.

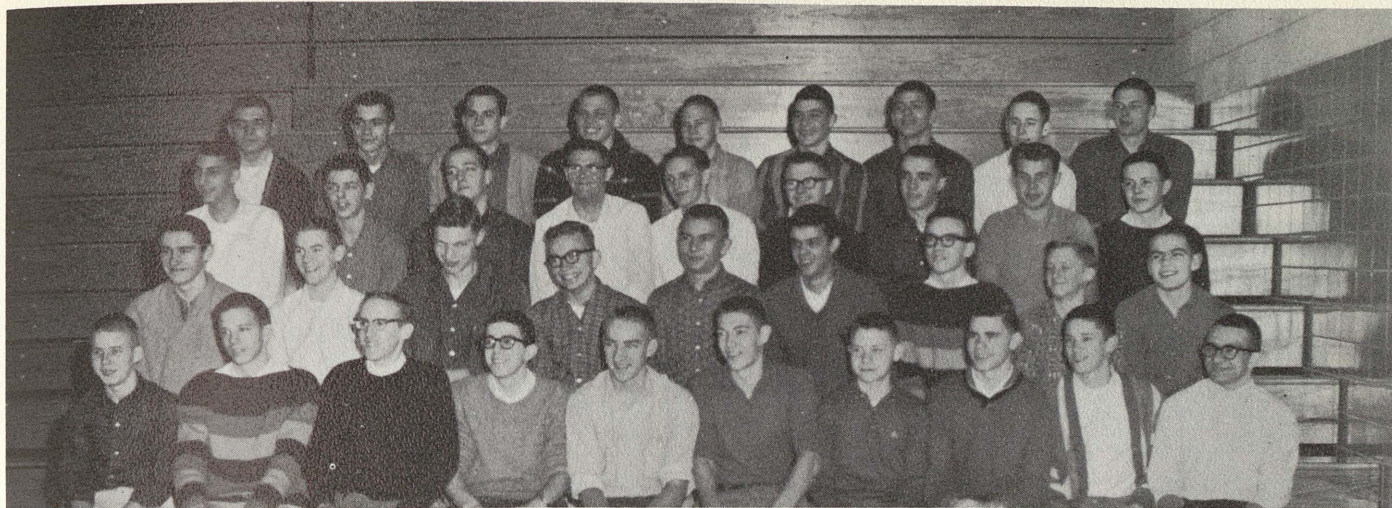

Girls who are water ballet enthusiasts may tryout for Aqualites. After one year of training as an Aquadim, girls are eligible for tryouts, which are held before Aqualite members. These girls must excel in strokes and stunts. After many months of practice they perform in their annual spring water show.

"Being a teacher's assistant is rewarding experience," say Sonja Gross and Edna Davis. Working at the Handley School for two hours each day gives them excellent preparation for a teaching career.

Future Teachers, working as a group, donated toys and books to the children at the T.B. Sanitarium for Christmas. Helpful activities and listening to speakers fill their agenda.

Did you ever cut your finger on your locker, or fall on the ice when coming to school? If so, you naturally ran to the Health Room for a bandage. The girls who work there for an hour each day are preparing themselves for a career in nursing. They are the Future Nurses of America. What would we do without them?

Future Nurses of America:

FIRST ROW: S. Burgess, D. Slancik, president; N. Prueter, P. Loeblein, G. Nordstrum. **SECOND ROW:** J. Rumley, K. Bushey, J. Rae, J. Heyse, D. Jenkins. **THIRD ROW:** R. Reid, S. Sieb, M. Mannion, M. Bowden, D. Railling.

Arthur Hill's newest club, Future Physicians of America, offers new and interesting facts in the realm of medicine to club members. Under the supervision of Dr. William Mason, pediatrician, members are acquainted with the profession of medicine, requirements to become a doctor, college financing, and choice of colleges. Visits to Saginaw and surrounding area hospitals and talks with doctors in the different fields of medicine give them first hand impressions of what this profession holds for them.

Solitude

A fish leaps to a fly; a bull frog grumbles beneath a lily pad; snow forms into geometrically-perfect crystals; a pine-tree drops its annual harvest of nut-brown cones; these are nature's mysteries. Such are the studies of the Natural Science Club under the direction of Mr. Case.

The call of the wilderness.

Honor Clubs Display

Hillites' Best

In days of old Alchemists were always seeking for the elixir of life. They also attempted to obtain gold from lead and other metals. Crucibles are vessels for melting metals or minerals under extreme heat. Our modern day chemistry societies, Alchemists and Crucibles, seek to further their knowledge of chemistry in industry, medicine, and research.

Alchemists: Front Row: Mr. William Warren, sponsor; S. Canaday, M. Ison, E. Jameson, V. Pudschun, J. Gobble, L. Nickle. Second Row: S.

Schmick, R. Ederer, B. Benish, J. Ginder, E. Kuznicki, L. Schaper

Quill and Scroll: FRONT ROW: M. Huyghe, D. Timm, S. Canaday, J. Puravs. SECOND ROW: W. Ruhwinkel, C. Clayton, N. Scheider, M. Gottschalk, N. Pierson, M. Geke-ler.

The International Honorary Journalistic Society, commonly called Quill and Scroll, is one of Arthur Hill's honor clubs. Members are those whose interest falls in the field of journalism.

In order to become a member the candidate must maintain a "B" average, have had three semesters of journalism, and above all, have had seventy-five inches of published material. Initiation is held at a Christmas party and at a banquet at the close of the school year.

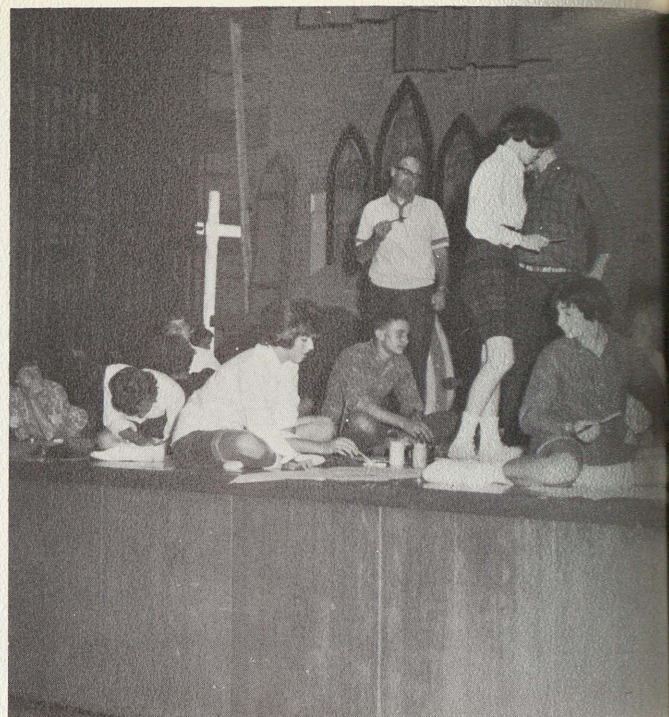

The National Thespians Society is open to qualified students from the fields of debate, forensics, and dramatics.

To become a member, the student must have earned one-hundred points or more. Participation in the semester plays, assemblies, play tournaments, and the Christmas Pageant earns points. Point value is determined by the role played.

Thespians: FRONT ROW: P. Loeblein, P. Schilling. SECOND ROW: J. Gobble, K. Cameron, T. DuCharm. THIRD ROW: D. Charrey, B. Godwin, J. Heffel.

Whether it be decorating goal posts, painting posters, or cheering our teams on to victory from the bleachers, Pep Club members, abiding by their constitution, strive to strengthen school spirit. They organize pep rallies which serve to inspire the student body and to encourage our teams. These pep rallies, where teams are introduced and cheers rehearsed, help to build sturdy school morale.

Mr. Grueber, in the midst of paint, posters, and Hillites, supervises the activities of Pep Club's poster committee.

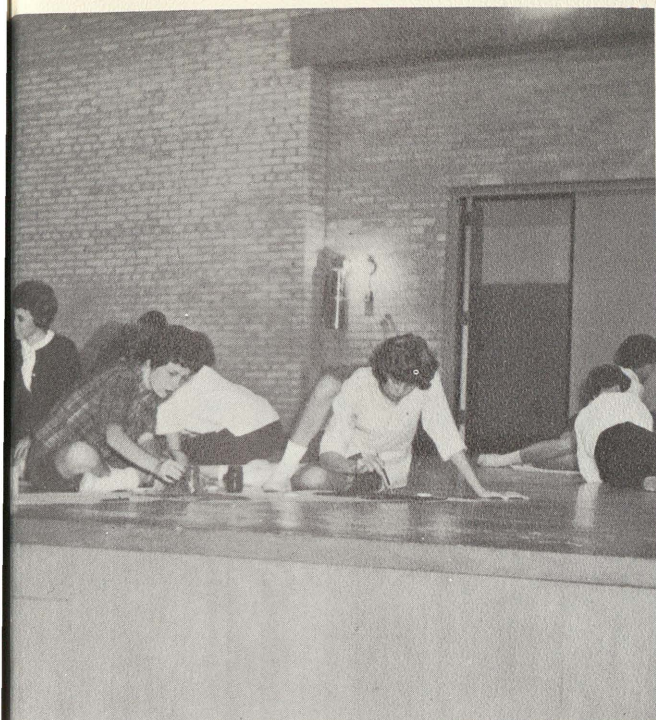

Pep Club Sparks School Spirit

Pep Club Officers: Carol Munck, vice-president, Barry Godwin, president, Carol Diamond, treasurer, and Pete Schilling, secretary.

Junior Varsity Cheerleaders: Sue Boyd, Diane Kuhn, Sue Zittle, captain, Jane Immerman, Molly Reagh, and Kathy Braun.

Final tryouts for junior varsity cheerleading are held in mid-September. After attending summer "learning" sessions which consist of hours of hard practice under the supervision of the varsity squad, the trainees are screened. Those selected, along with the varsity squad, lead the student body in cheering, a vital inspiration to the teams.

Hillites Pursue Varied Hobbies

A ball straight down the alley, a strike, a perfect 300; these are the goals of every Bowling Club member.

This club was organized to give Hillites an opportunity to learn more about bowling and to improve their skill. The winning teams are honored at an annual banquet where trophies are presented.

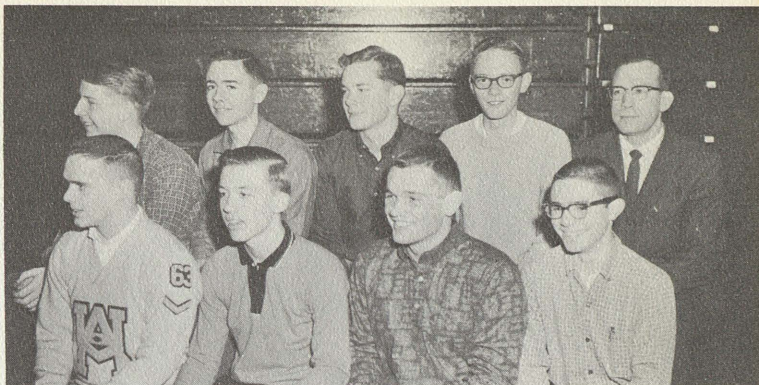

The Chess Club, now in its third year, was set up at the request of students. Organized matches between club members provide varying competition in this game of concentration.

Chess Club: Seated: T. Firmingham, M. Mueller. From left to right standing: D. Breeden, J. Tenney, D. Enser, J. Williams, A. Herryman, president; J. Burk, treasurer.

Combine a shuttle cock, a light-weight racket, a five-foot net, a group of nimble boys, and you have the Hillites in Badminton Club. Under Mr. Purdy's supervision, these boys participate in interclub singles and doubles matches.

Badminton Club: FRONT ROW: J. Hill, G. Fredericksen, E. Kritz, R. Ormsby. SECOND ROW: E. Marker, R. Schneider, R. Schuler, J. Trier, Mr. George Purdy, sponsor.

Set the props! Quiet! Dim the lights! Curtain going up! These are the calls of the stage crew before the production of the Christmas Pageant, the Play Tournament, Band Bounce, and many assemblies.
